Bill N.

Bill, You've been a real good fresh. Now I hope that you have enjoyed your freshman year as much as I did. Good luck.

Bill, you may be little — but loud!
Loads of luck.
Peter

Bill, I hope to teach again sometime. Keep up the good work!
E. Wilton

Bill
Congratulations for getting in the Key Club. You're a good boy. See at football pratice

Bill —
I've been right proud of your interest in council. Key Club — congrats on there, too — do your best in club. It's a great club. You'll go far at Lawn if you know — just keep like you are.
Your good friend,
Robert Robinson

Bill,
Congraulations in Student Council this year. I know you will be a big part in showing Lon our Soph. year is the best. Good luck
Love,
Darlene
(HAINLINE)

Bill,
This year has been very good.
One reason is that we were
both in Council. Next year
I hope will be even better &
we'll have a better Council.

Kouela

Bill,
This has been
a wonderful
year haven't
it? Best of
everything to
You. Jo

Bill -
Congrads of all
your honors you
have received as a
freshman; Student Council,
Key Club, made a good
here, keep on with
your good ways and
make Senior the best.

Buddy D.

Bill -
The Best of Luck to
you in future years at
Leon. I am looking forward
to working with you in
Key Club next year.

If in heaven
we do not meet
hand and hand
well face the
heat,

James
Goodson

Best of luck to a
swell guy always.

Wayne M.

Dear Bill,
I'll never forget the
time you saved my
neck in Latin.
Next years Council will
be the best yet!
I'm really proud of
you in Key Club! Work
hard!

Loads of luck,
Dot-

Bill,
I have enjoyed
very much working
with you this year
in Student Council.
I hope you have a
very successful year
next year.

Sincerely,
Thomas

Best of luck
to a cute and
swell guy!
Love ya,
Patsy Ammons

Bill,
Sure was fun
getting to know you
this year, especially
riding your home!
If you can't bring
your car next year
you can ride again. O/C?
Be sweet always and
let have fun next
year!
Love,
Mary Ann

Bill — Congratulation
on getting into Key club.
I think it was a fine choice.
Keep up your good work for
Leon which I think is great.
Best of luck in your future at
Leon.

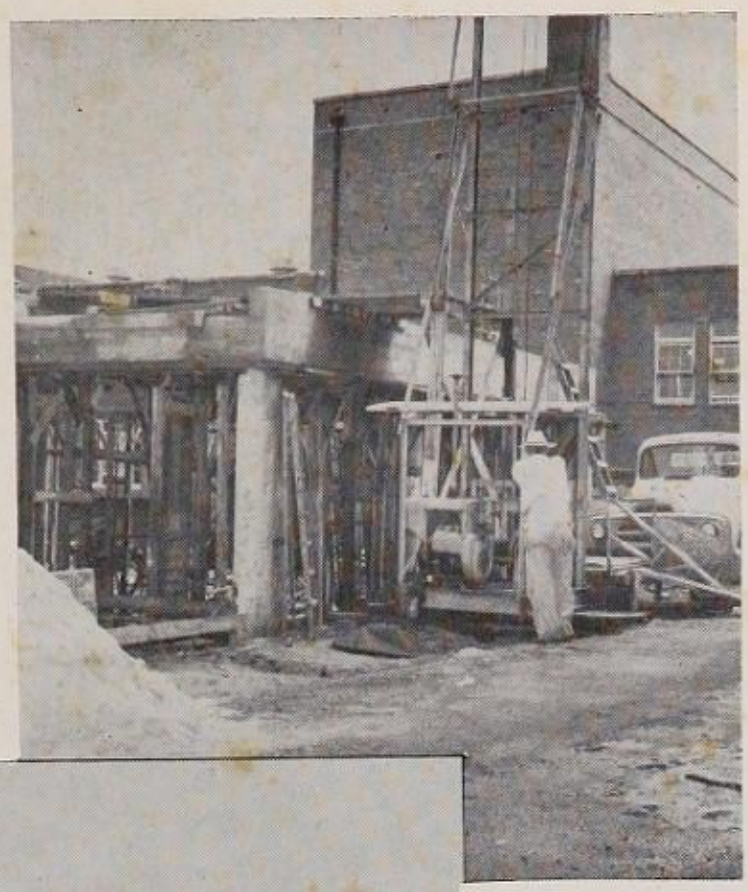
# A Year of History

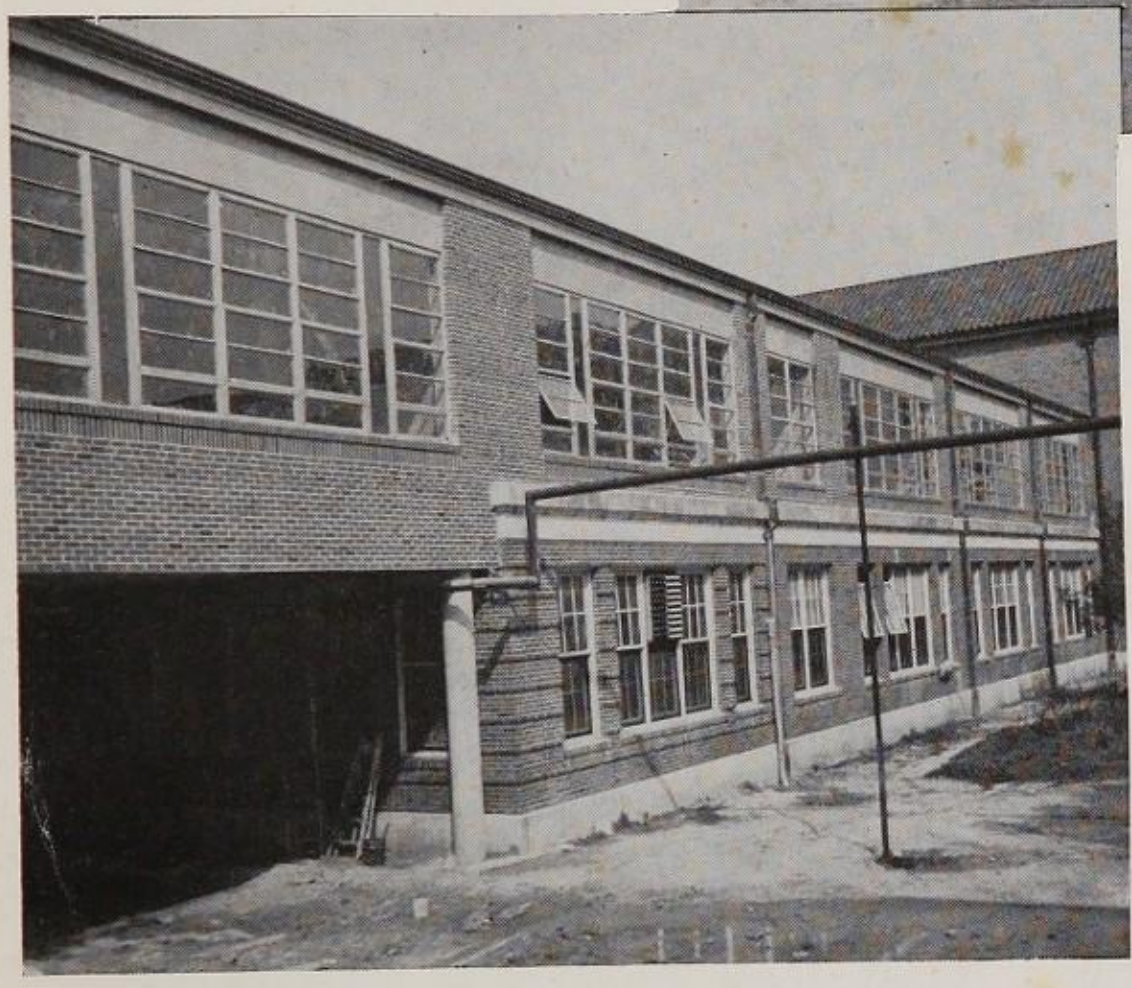
Seniors of 1958, along with the rest of the student body, helped make history "firsts" this year continuing their tradition of "firsts" which began back in the seventh grade when the 1958 class was the first freshman group in the new Elizabeth Cobb school. Leonites entered the school year under a new curriculum set-up. Academic courses were divided into three lines: liberal, general, and college preparatory. They found the building had a new look for the first time since construction, a look acquired by a summer paint job done in soft colors "scientifically selected by experts." Enrollment soared making it the largest in history. More annuals were sold than ever before. Senior George Beal became the "first" from Leon ever to win a National Merit scholarship. This year's class was the first graduating one to hear "no final examinations for seniors!" . . . and the first to "sign up" Florida State University's Campbell stadium for graduation exercises. But perhaps the thing that will be remembered most is February 13 when the 1958 class became the first seniors who have ever been able to say "It *really* snowed in Tallahassee!"

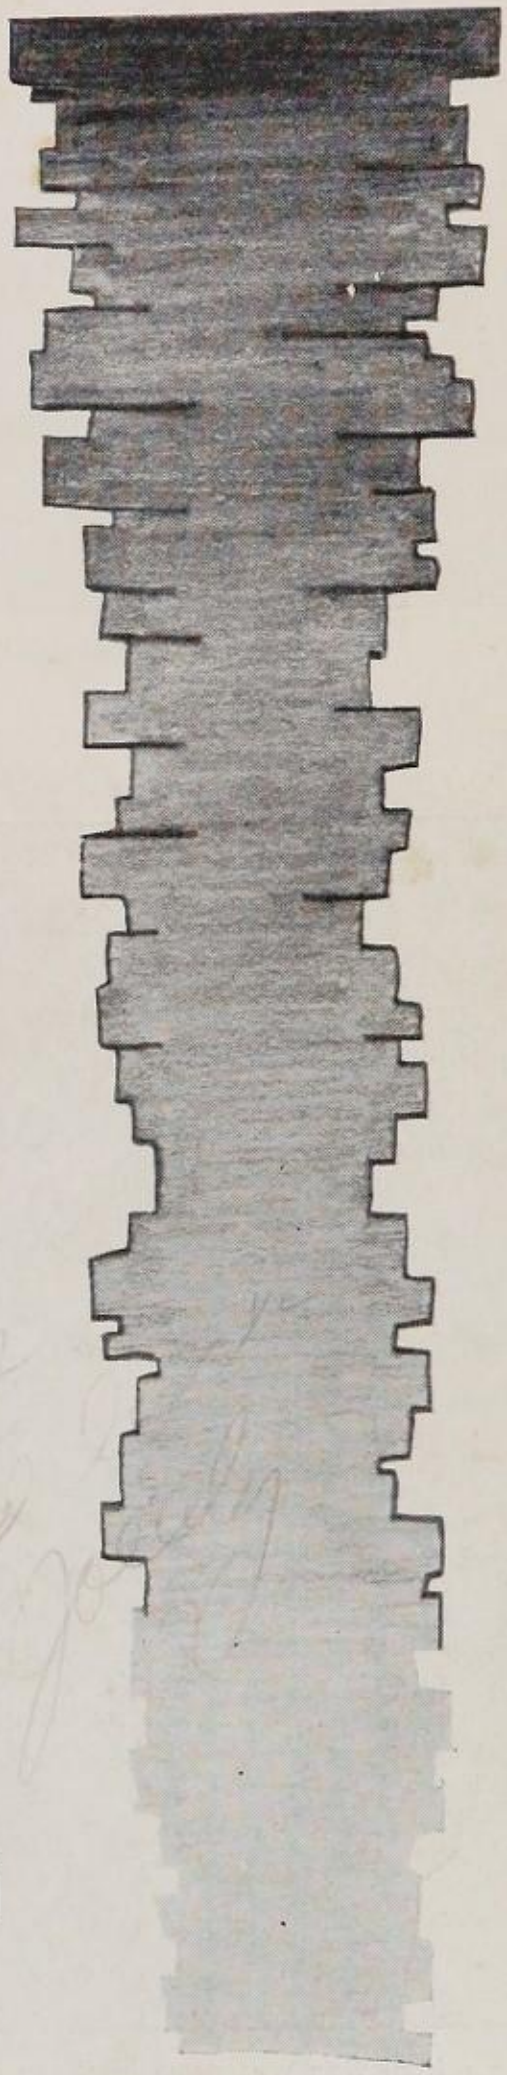
Leon is located on one of Tallahassee's many hills.

Bill,
Hasn't this year been the greatest? It's
been a ball! Have fun over the summer!
Loads of Luck in the future,
Love ya,
Ann

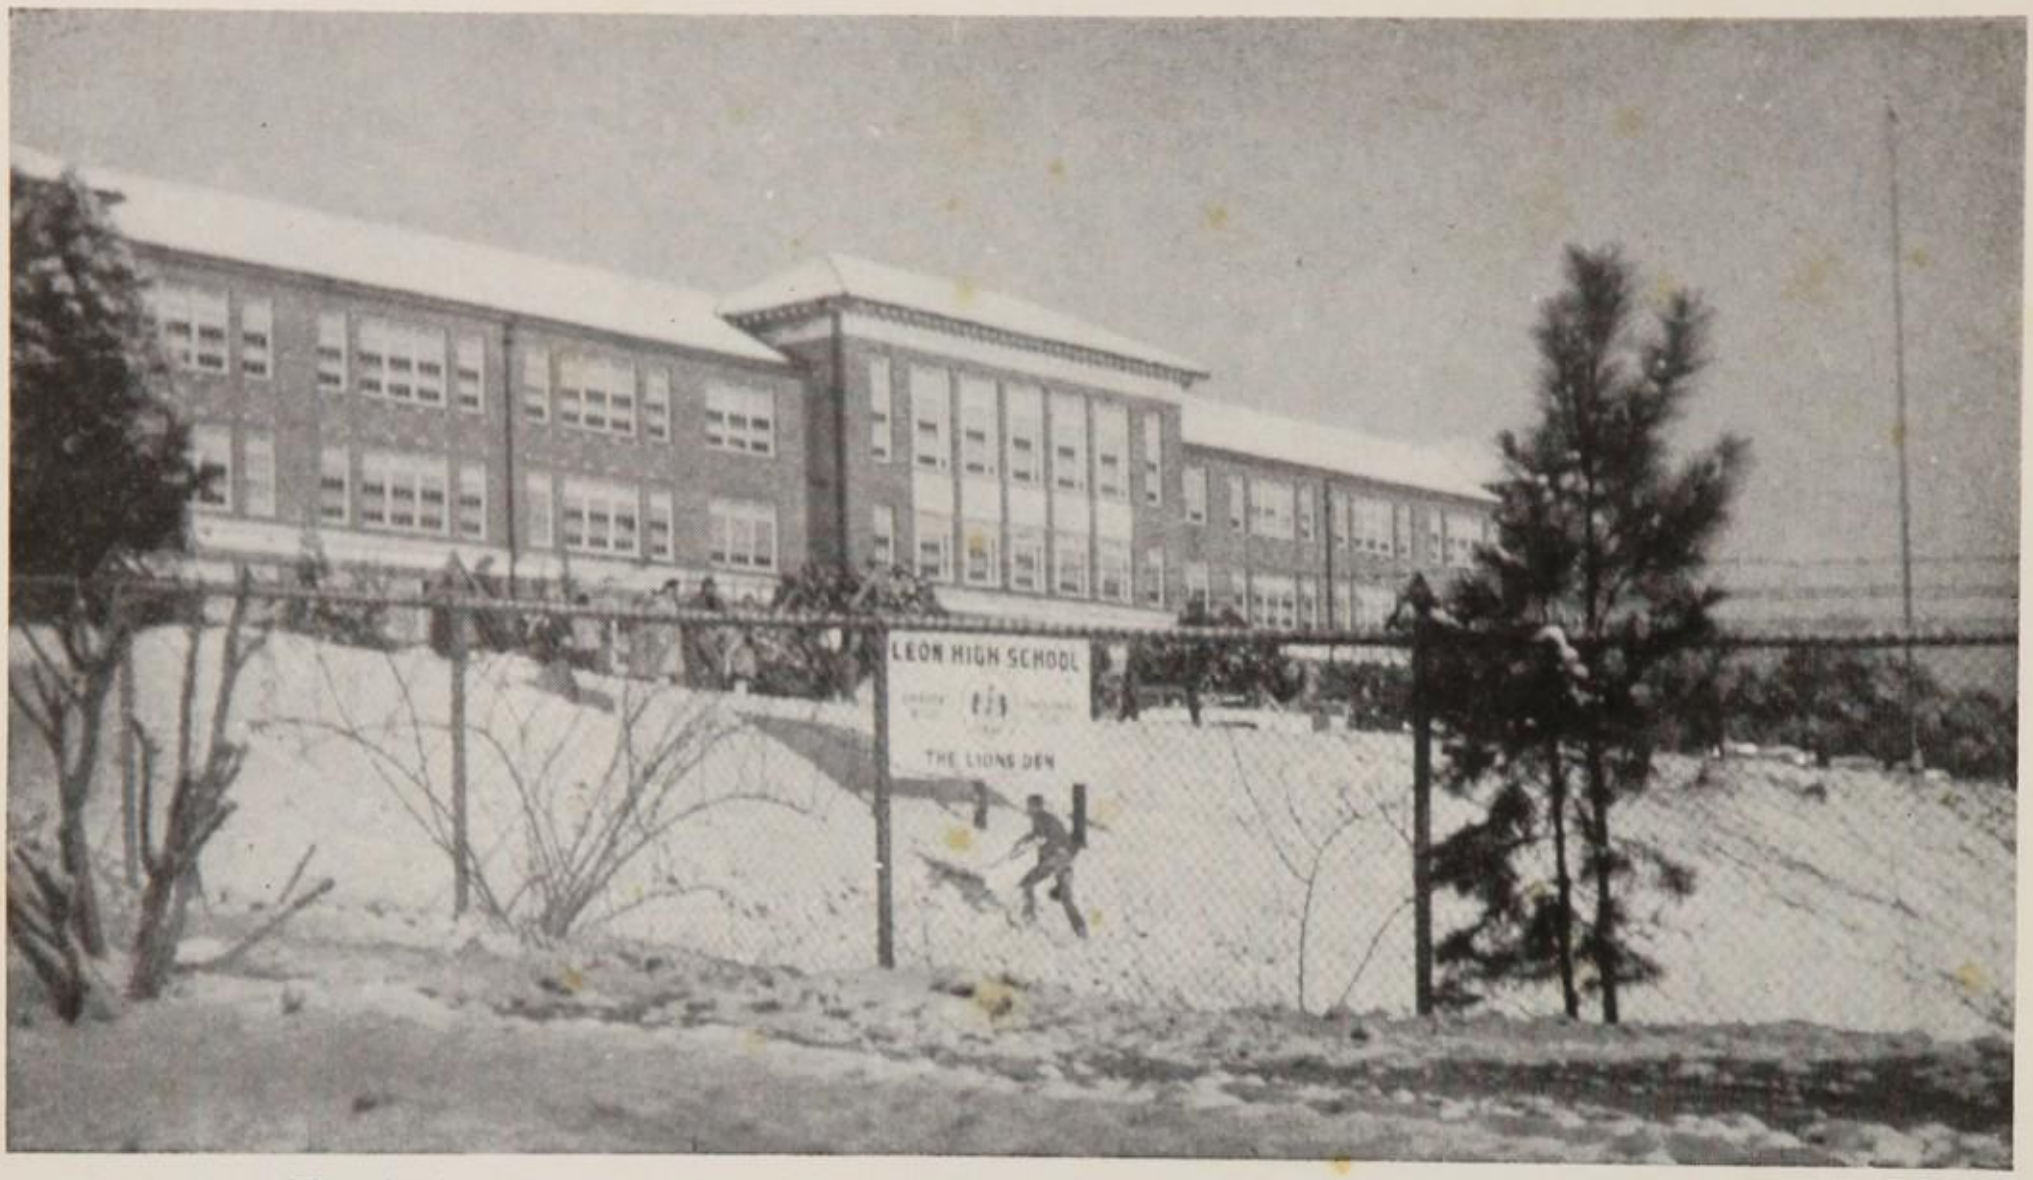


Lack of space for classrooms caused this new addition to be built.





# . . building our future
# . . . . on the foundation
# . . . . . . of our past



The school was covered with snow when three inches fell on February 13, a record for Tallahassee.

The school flag was proudly flown on the flag pole and displayed in the auditorium.

# Alma Mater

The red clay hills of Tallahassee
Harbor memories dear
Memories of our dear old high school
That we all revere.
May we ever bring thee glory,
Always honor thee,
Keeping burning deep inside us,
Fires you kindled there.

To Leon, to Leon
We all sing to thee;
Faithful we'll always be
To our dear old Alma Mater,
We love thy classic halls
Forever more,
Loyal and ever true
Leon, to you.

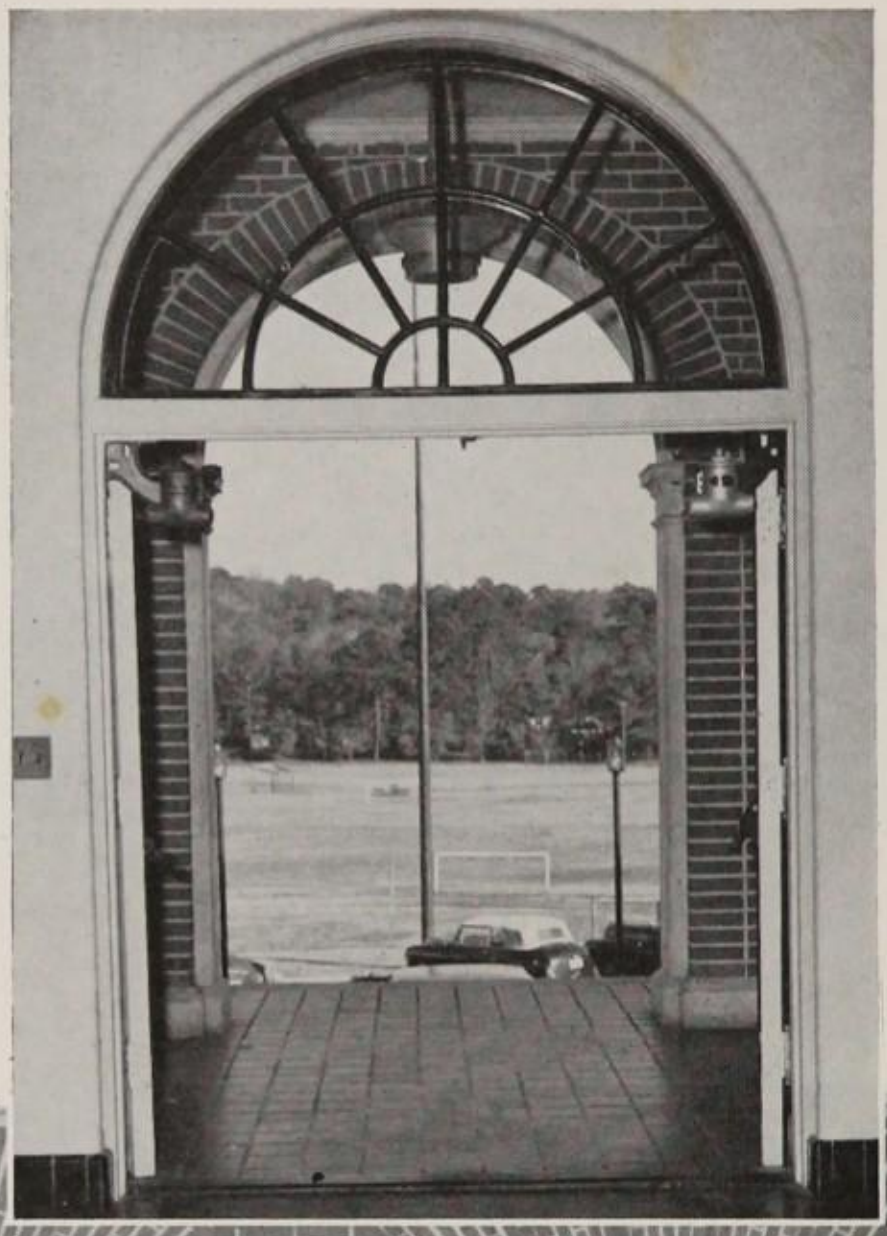
Due to lack of room space, the study hall which had over 200 students was conducted in the auditorium.

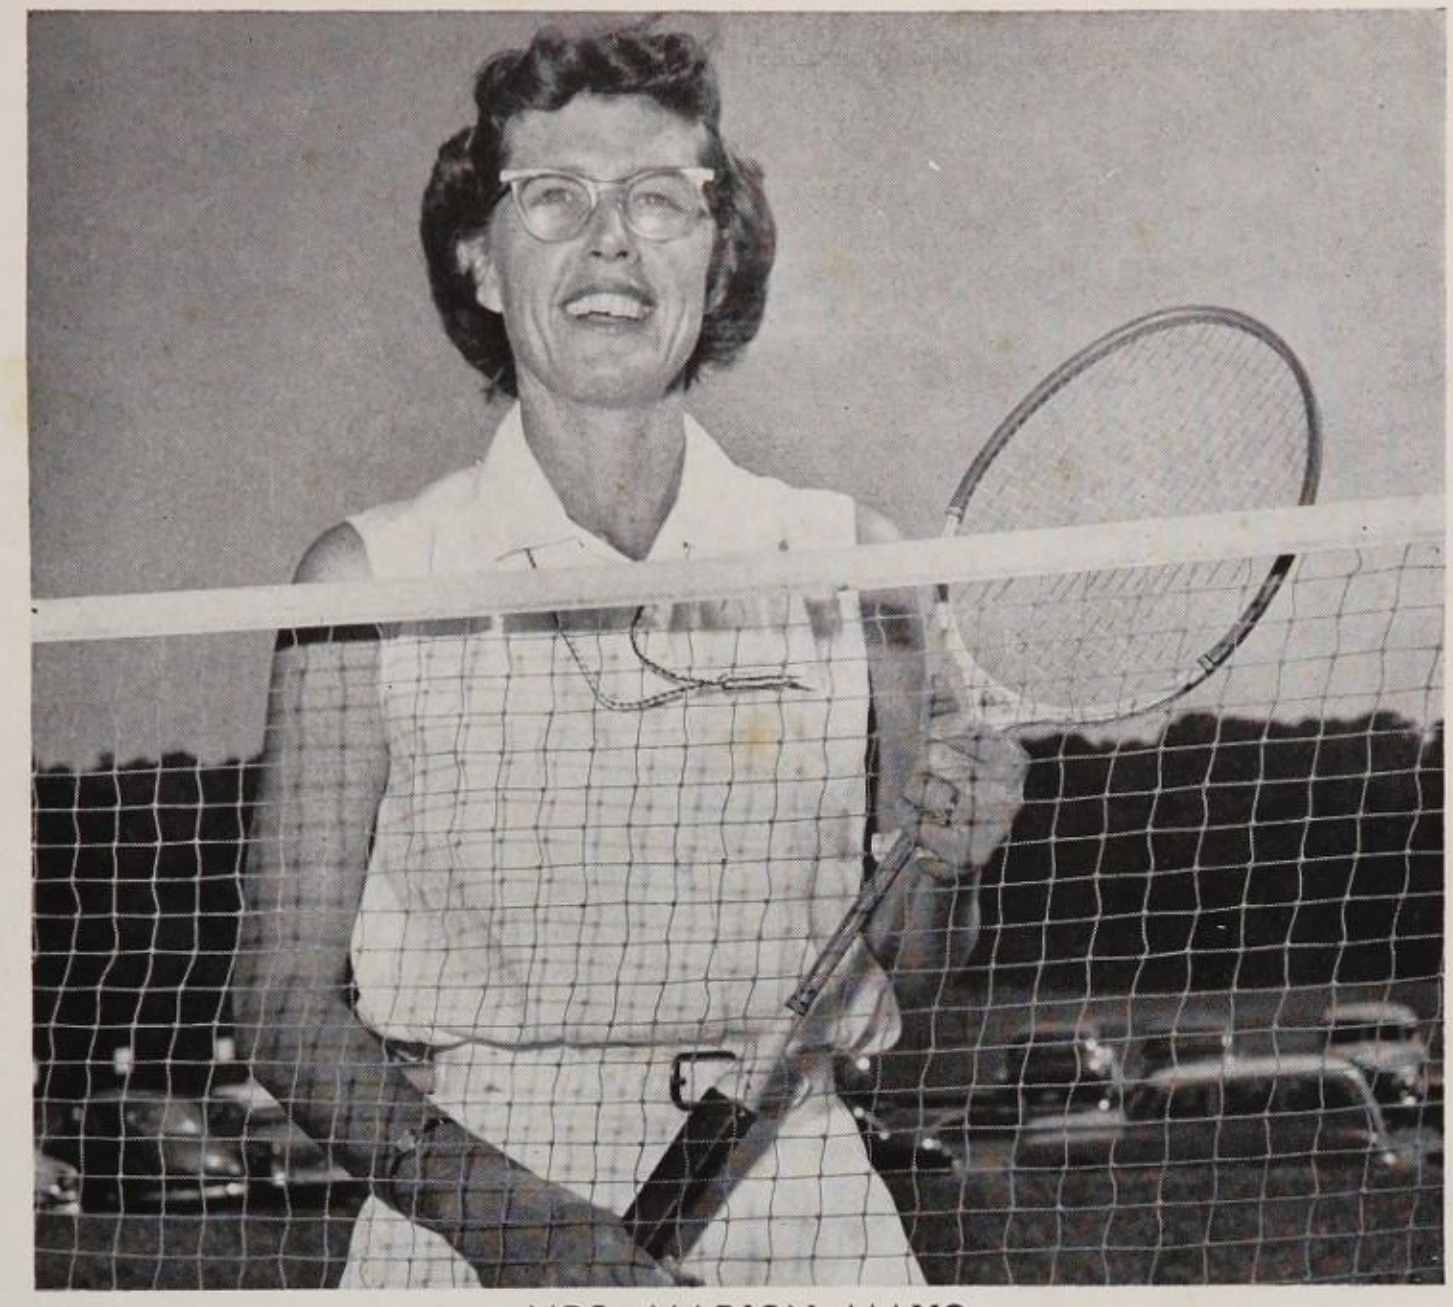
# Foreword

We, the members of the annual staff, present an historical document of your high school year. We hope that as the pages are turned in remembrance that the facts and interesting happenings recorded on each page will bring to mind the memories of a wonderful school, faculty, students, and city. We hope, we pray, that whatever the future may bring, each of you will go forward with courage, determination, and a faith that will lead you to success and happiness. We hope in some small way that we have aided you along life's highway.



Students looking through the front entrance can see across the athletic field.

The arches in front of the school will be one of the things that will be remembered.



MRS. MARION MAYO

# Dedication

Mrs. Mayo's quick thinking in an emergency saved her a drenching from the cafeteria ceiling which sprung leaks during construction of a second floor above.

Time goes by, and all good things must end,
And so another Lion's Tale dedication begins.
To one who through our years at Leon,
Makes us wish it could be an eon.

Your quiet, sweet ways, your winning smile,
Showing us life is worthwhile.
Teaching us to work, to play,
To be better students along the way.

With saddened hearts and tearful eyes,
At last 'tis time to say goodby.
And so we dedicate with love and gusto,
Our book to you, Mrs. Marion Mayo.

# Curriculum put in three-track program

Realizing that a large percentage of Leon High School graduates enroll in college and that college entrance requirements are becoming more strict, the Leon High faculty and administration set up a three-track program: College Preparatory, General, and Liberal.

The English department is the largest department, with an enrollment of approximately 1600 students. The thirteen teachers are headed by Miss Hollie Carmine. In the three-track program students are offered Basic English, College Preparatory English, General English, Business English, Creative English, Speech, Journalism and World Literature.

English courses try to develop the skills of reading, writing, speaking and listening to the extent that students will be prepared to meet the demands of life in these fields.

Fourth period English IV class found that Shakespeare was quite a versatile old fellow when Miss Carmine had them write a theme on his career.

Wurry-Wonder-Wread-Write. These are the thoughts of Sherrie Granison as she ponders deligently over a stack of research books.

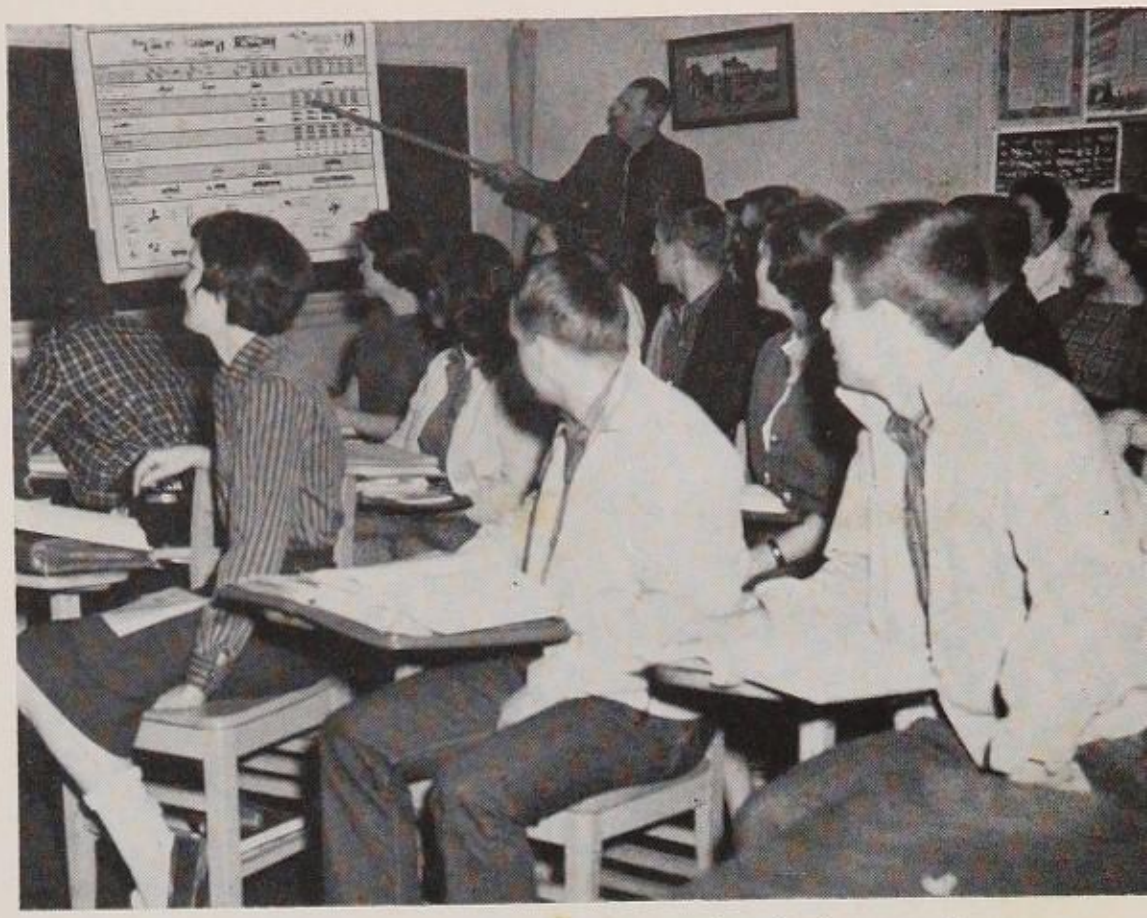
Although these Speech II students sit in a circle, everything else is quite straight and clear. Mrs. Cubbon might be saying, "It is **get,** not git!"

What makes people and governments act as they do, might all come under the heading of Social Studies. At Leon, the Social Studies department, with Mrs. Mary Williams as chairman, teaches these things in an offering of five courses.

Civics is designed to develop better citizens by acquainting students with all governments. World History's purpose is to develop world mindedness, and World Geography is a study emphasizing man's relationship to earth conditions.

In American History, students get a review of the country's history from the Colonial and Revolutionary periods down to the present. Problems is a study of political, social and economic problems.

Total enrollment of the department was 763 students, who were taught by seven teachers. Two units of social studies are required for graduation.



What Problems might these students be facing now? Perhaps—Why has there been a decrease in the farm population? Mr. Longsdon has a problem, too: "How can I make these city folks understand farmers?"

# English, Social Studies required of all

"No, Paul Revere's horse's name wasn't Silver." Mrs. Matthews and students find American History quite interesting and loads of fun.

# Sputniks Cause Added Interest in Science

2HgO — 2Hg. $O_2$ — So find out Dianne Pickett, Gary Ketchum, Don Whiddon, and Linda Patton in Chemistry Class.

For every action there is an opposite and equal reaction according to Mr. Isaac Newton. Mrs. Myrick's first period physics class finds the whole thing fascinating.

"Sputniks," fossils, stars, and unusual pictures were found at the Big Bend Science Fair put on by the Science Department in March.

The department, headed by Mrs. Ida Myrick, is made up of general science, biology, chemistry, and physics. One year of a science is required for a student to graduate. Two years, one of biology and one of chemistry or physics, are required for students desiring college entrance.

The department has nine teachers and 963 students. Clubs made up of students interested in the field of science are Biology, Future Nurses, Ida Myrick Science Club, Graphic, and Radio Club.

The main ingredient for possum stew gets the once-over from Larry Letchworth. He's actually examining a biology specimen.

Leon's mathematics department, headed by Mrs. Myrtle Rehwinkel, had ten teachers this year who handled 46 class sections of mathematics. These classes represent approximately 1300 students out of the 1600 school enrollment.

Beginning this year, two years of mathematics will be required for graduation. All ninth graders are required to take mathematics on one of three levels depending upon his preparation: Algebra I, Basic Arithmetic or General Mathematics.

Upperclassmen are offered two years of algebra, Plane Geometry, Solid Geometry, Trigonometry, a second year of general mathematics and Senior Mathematics.

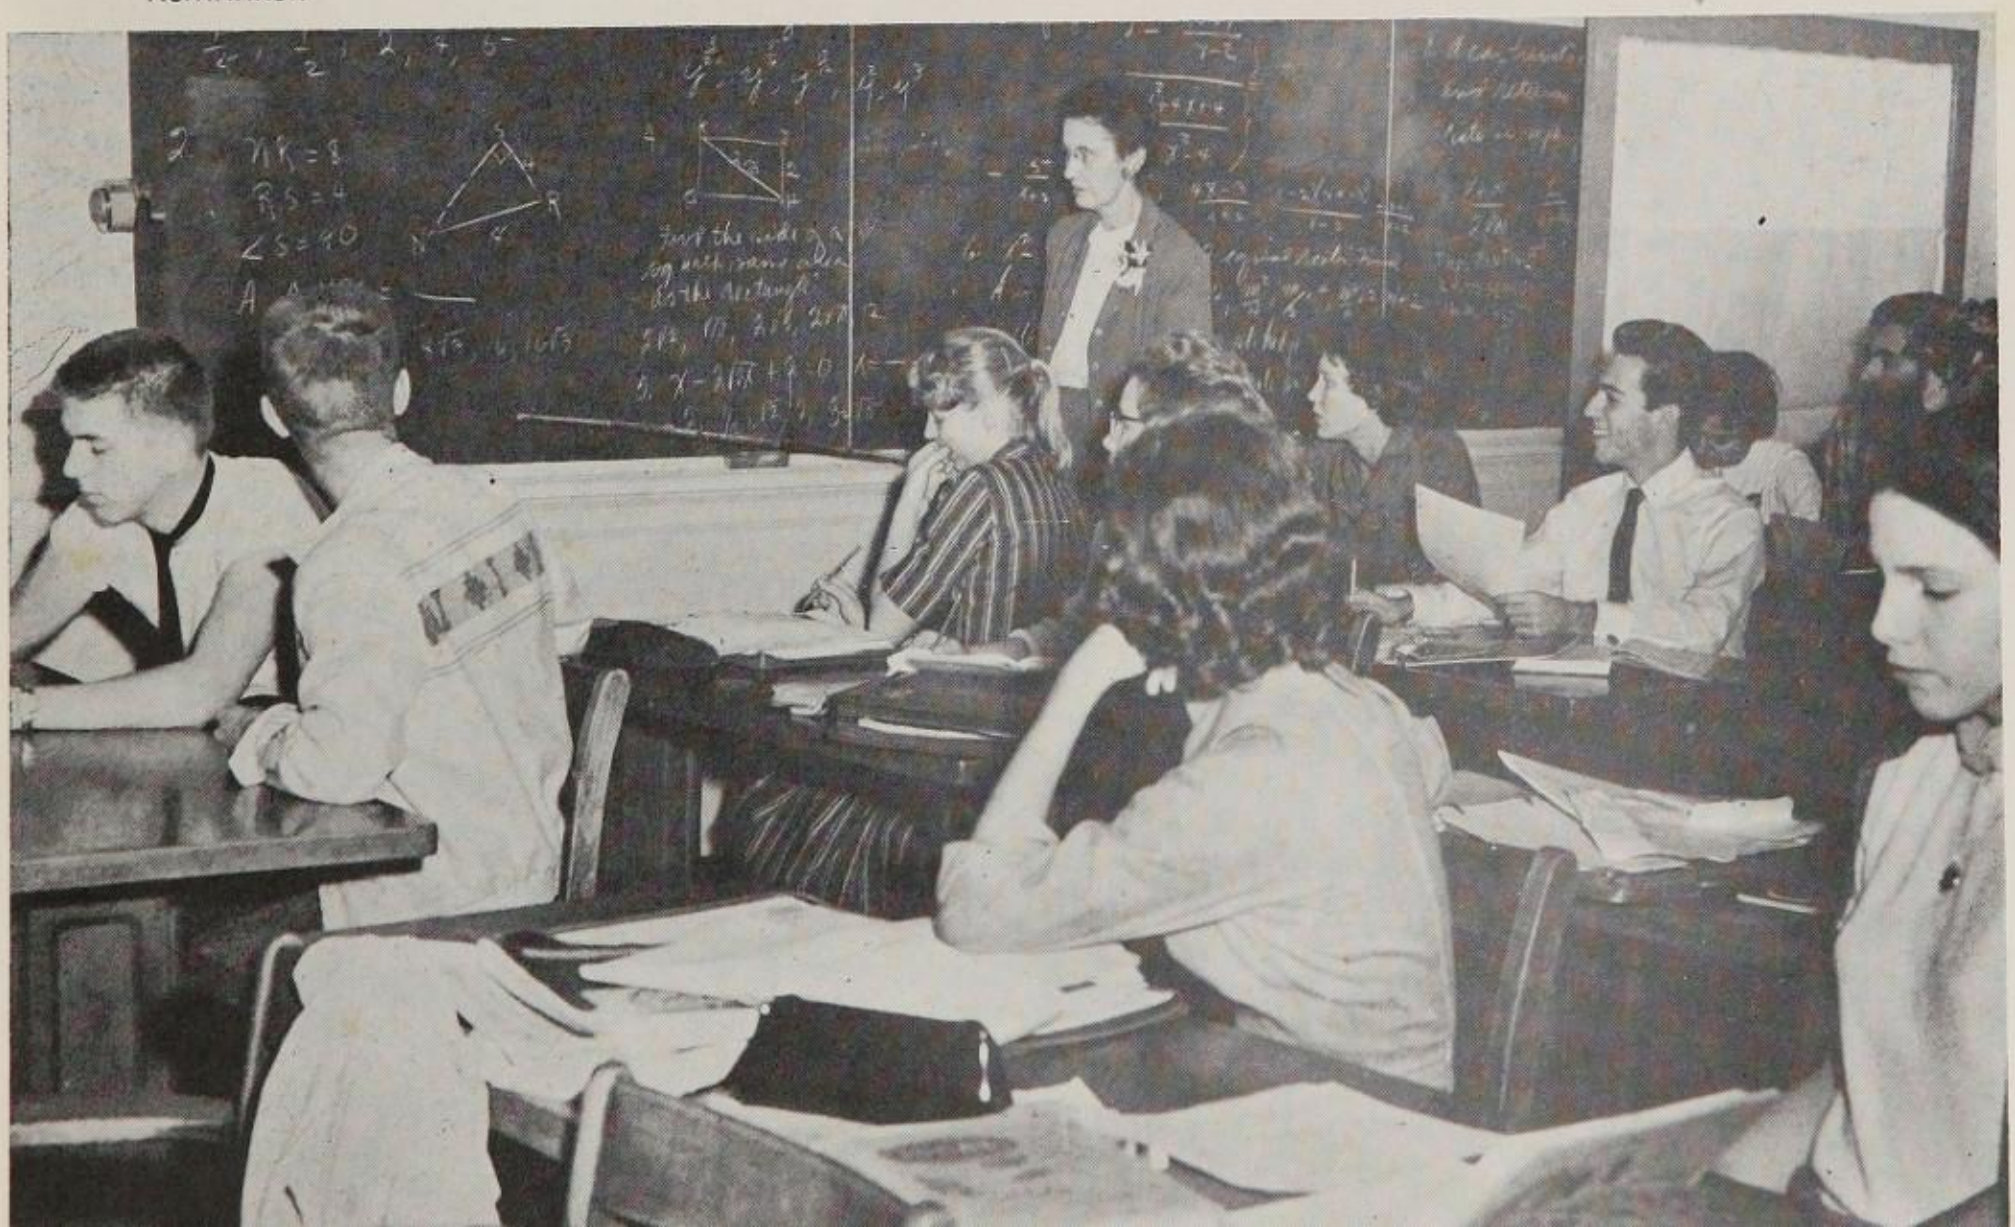
Mu Alpha Theta, Leon's newly organized mathematics honorary society, held cram sessions for members and other interested students desiring aid in any of the mathematics areas.

As in other areas of the curriculum, Leon graduates have been among the top-ranking students in mathematics entrance examinations at Florida State University and other better-known colleges throughout the country.

What is it? seems to be the question of Sybil Coleman and Frank Andrews. "It" is a geometric figure mobile made by students.

# Mathematics Courses Reach Most Students

The intricacies of trigonometry or how to find out how far it is from here to there, are explained by Mrs. Myrtle Rehwinkel.



# Varied Courses Offered for Many Different

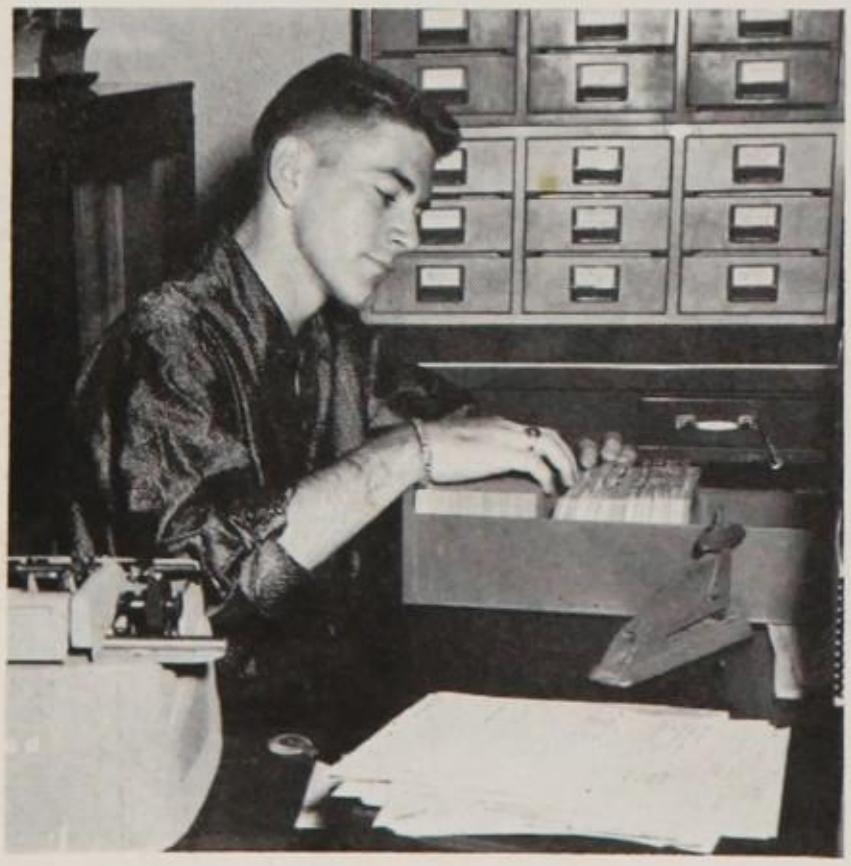
In addition to the four main courses, Leonites have their choice of other fields including physical education, homemaking, DCT, business department, modern languages, Latin, debate, chorus, band, art, industrial arts, agriculture, and mechanical drawing.

Physical Education creates good sportsmanship, and an appreciation of sports and different types of dancing. The homemaking department furnishes the girl with the knowledge of how to

Music is relaxing? Girls physical education students exercise in time to music.

Will they be good? Deanne Pinkel, Mary Ann Hall, Robin Graham and Teresa Smith wonder about their cookie baking experience in Homemaking Class.

Gene Balanky earns a living and goes to school at the same time as he participates in the Diversified Cooperative Training program.



Keeping books is important whether it be a job in an office or budgeting at home. Students in business education find that studying the book about bookkeeping is a necessary thing.

# Talents from Latin to Industrial Arts

make a home. DCT gives students an opportunity to learn of the business world. The business education department, typing, business English, bookkeeping, shorthand, and office practice are offered.

The modern language department offers four years of French and Spanish, stressing conversation and reading comprehension. Latin stresses contributions to civilization and Greek Mythology.

Debate promotes clear thinking. For those with an artistic flair there are art, mechanical drawing, and industrial arts.

"Qué hay de comer?" Laura Lee Potter, Joel McNeil, Saranne Granison and Stephen Sterk learn how "to eat in Spanish."

Debates aren't really as fierce as they seem if you can believe the expressions of Clara Sue Hart, Jeanne Newman, Roger Fernandez, Harriet Cole, Mr. Longsdon, Edward Eikman, Duane McNair, and Diane Pittelkow.

"Ne na na no nooooooo — I can sing, can you?" might be the slogan of sophomore girls chorus as Director Mr. Harold Chapman leads them.

Paintbrushes, paint and imagination went into this work of students in Mrs. Mary Fenn Daniel's art classes.

*enrollment was approximately 1675*

Discussing cap and gown material are Senior class officers: Dale Pichard, president; Mrs. Ida Myrick, sponsor; Ellen Dillon, secretary; Dotty Pope, vice-president; Tutter Fraleigh, treasurer.

# SENIORS *of 1958*

With the big night – Graduation – just a few days off, seniors of 1958 look back over a year packed with fun but filled with work, too.

A spaghetti supper at Sarah Ruth Myers' home, October 12, and a skating party at the armory, February 4, were part of the fun.

Senior placement tests, February 18 and 19, were responsible for many cases of "butterflies", as seniors worked to be in the top sixty percentile.

Both fun and work went into the senior class play, "The Remarkable Incident at Carson Corners", March 14, with a cast of 27.

Traditional activities, directed by Mrs. Ida Myrick – senior day, May 16, at the coast; baccalaureate, June 1; class night, June 3; and graduation, June 6 – bring the year to an end.

# These are SENIOR favorites . . .

# . . . Best All Around

**LINDA GORMLEY**

Linda's ability to get along with others has won her many friends. Her BEST ALL AROUND qualities are evident in her participation in Student Council, Anchor Club, Melodears, Swimming Club and Cheerleaders. During her years at Leon she has been elected by her class as Miss Junior and Miss Senior. She reigned as Leon's 1958 May Queen.

**ROBERT ASHMORE**

Robert, as Student Body President and as a member of Key Club, Pierian Honor Society and Boys' State, has proved his leadership and ability to get a job done. He is a friend to all and is always there to lend a helping hand. All these qualities may be summed up by saying that Robert is BEST ALL AROUND.

# . . . Most Loyal

## HELEN FRALEIGH

"Tutter" has spent many hours as an enthusiastic leader for Leon. She has been Cheerleader four years at Leon and in her Senior year she is head Cheerleader. She also works hard as Senior Class treasurer, a member of Anchor Club, and Inter-Club Council. To students in all grades "Tutter" symbolizes Leon's spirit and leaves Leon with the mark as "Most Loyal."

## EDGAR MOORE

Take Ed from anybody's viewpoint and you will probably find him a boy considered one of the most conscientious workers for Leon. This loyalty is shown in his work as a member of Student Council, Key Club President and as Vice-President of the student body his Junior year. He is a faithful worker and has gained much respect from his classmates as "Most Loyal to Leon."

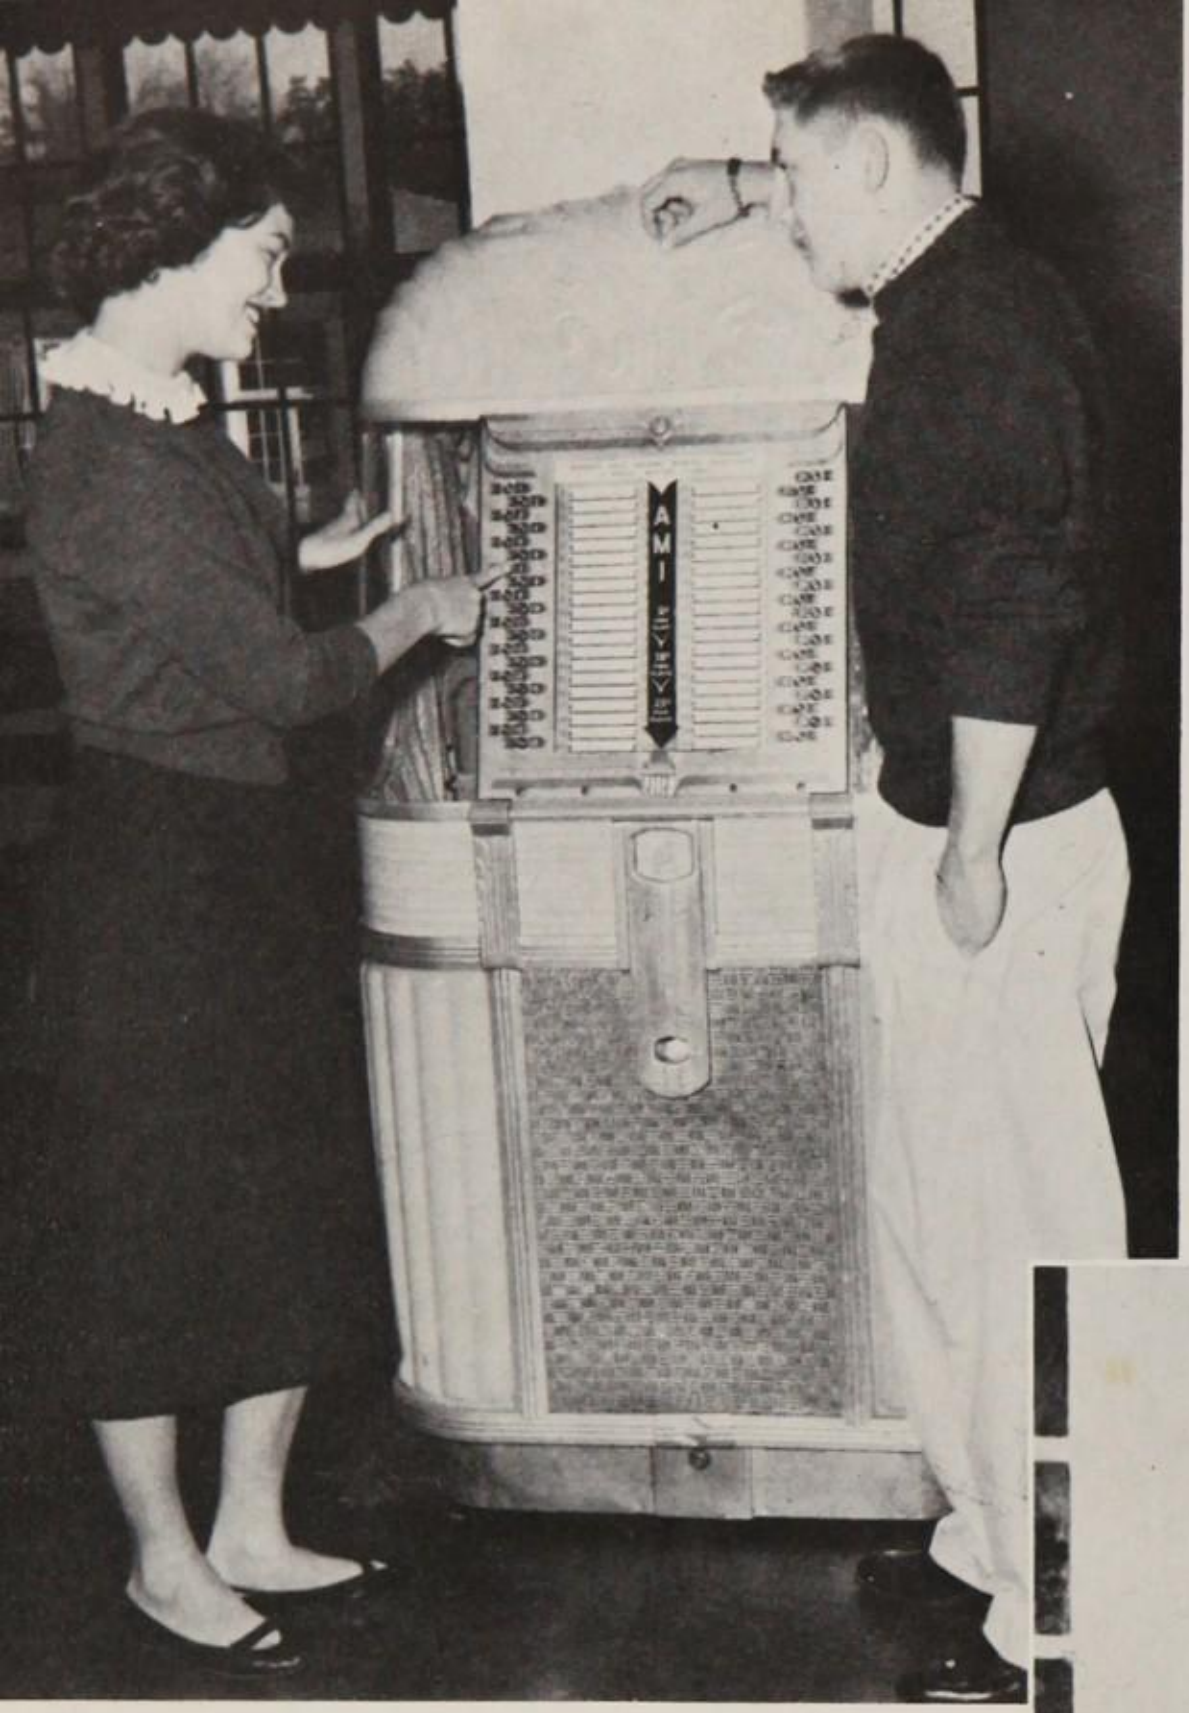
# . . . Most Dependable

## KEITH PITCHFORD

Whatever his work, Keith is known for doing it well, never ceasing 'til the job is complete. Serving as a member of Student Council, Junior Civitan, Boys' State and Senior Class Vice-President, Keith has earned the reputation of "Most Dependable."

## NORA PARKER

Dependability is a necessity for a Student Body Secretary, for a member of Anchor Club, for a Cheerleader, and for a member of Pierian Honor Society. All these activities can be listed by the name of Nora Parker. Whenever there is a job to be done, Nora carries it out with determination to get it done well. Nora is depended on in many ways and is truly "Most Dependable."



# . . . Best Personality

### FAYE DUNAWAY

Faye is always "on the go," but never too busy to stop and chat with a friend. She is enthusiastic and full of pep and push. Everyone knows Faye for her bright personality.

### BUDDY SEARCY

Buddy has a vivacious personality and spirit. As a member of the Student Council, Varsity Football Captain, and a member of Key Club, Buddy has made many friends.

# Sweetest and Most Courteous

### KAROL KAY BUSSARD

Karol Kay's many friends and achievements at Leon are topped only by her radiant sweetness. She is understanding, helpful and kind and will give her services to anyone in need with no hesitance.

### LEE WILLIAMS

Lee, possessing the politeness of a true gentleman, never forgets to be kind and considerate. He does anything he can at anytime which is helpful to others, even if it means sacrificing something for himself. Lee has the admiration of his friends as "most courteous."

# . . . Friendliest

## JOHN PAT MARSHALL

John's good humor and friendly "hello" are his trademarks throughout Leon. He keeps a joke on hand for every occasion and wherever he is he creates an atmosphere of sincere friendship. This certainly entitles John to "friendliest" at Leon.

## JOANN GRESHAM

Good-natured Joann has a smile and a "hi" for everyone. As President of Anchor Club, the D.A.R. Good Citizen, and a member of Girls' State, it takes a person with a friendly, get-along-with personality. Her sincere interest in others makes it easy for all to know and like her.

# . . . Wittiest

## DOT HOWELL

Where there's Dot there's amusement. Yes, Dot's vivaciousness and startling wit along with her unexpected sayings delight and amuse all.

## BUDDY McCUE

Buddy is always staging a one man show and always becomes the life of the party. He has fun and so do the people around him.

## MARY LEE REGISTER

Mary Lee, who can always be heard, is likely to be anywhere there's laughter and a good time. Her witty ways create an atmosphere people like to be around.

# . . . Most Talented

## FRED ANDREWS

Fred's ability to play the guitar and to sing has delighted many audiences in assemblies and dances. His talents which he has brought out at Leon are admired and appreciated by all. If Fred's future is in the musical world, it is evident he will make a wonderful success.

## EVELYN SUE KELLEY

Talented Evelyn's musical ability as a pianist is proved in her participation as accompanist for the Melodears, Chorus, and vocal soloists. Many people depend on her talents throughout Leon, and she is always there, no matter what the occasion, to help in any way.

# . . . Most Likely to Succeed

## KIT TAPERS

Not only in Kit's scholastic ability has she proved to be a success, but also in her other activities around the school is she successful. Kit is a member of Student Council, Melodears, Pierian Honor Society and is this year's Salutatorian. She carries out everything she attempts and reaches the top every time.

## GEORGE BEAL

George, a man of honor, has made an outstanding record of achievements in his years at Leon. He received the Thom McAn Award for having a high scholastic record, and is also a member of Pierian Honor Society and outstanding honor student. With his ability, brilliant mind, and unassuming manner, George will certainly be a success in his future life.

# Valedictorian and Salutatorian

**LAURA FETTERLY**
**and KIT TAPERS**

Laura topped the senior class in scholastic grades during her class years, with Kit coming in second.

# Thom McAn Award

**FAYE DUNAWAY**
**and GEORGE BEAL**

Faye and George were selected on the basis of their scholastic standing, citizenship, respect of fellow students, and their work in constructive extra-curricular activities.

Watching a rehearsal of the Junior class play are class officers: Robert Parker, president; Dot Alford, vice - president; Margaret Lehmann, secretary; and Lyman Fletcher, treasurer.

# Juniors . . .

Onions, spaghetti, and magazines were all part of the year for the Junior Class.

Onions came in "Onions in the Stew", a 3-act comedy presented January 30, starring Sue Ann Bupp, Larry Fox, Mary Lillian Jones, and Jean Hopkins.

From the receipts of the play the Junior Class made a gift of $50 to the stage fund. The money was given in the name of Mrs. Mina Cubbon, who directed the play.

The spaghetti came at a supper, November 2, at Sue Clements' home, and the magazines were sold during the annual magazine sale drive which netted more than $1000. Clarence Romig was high salesman.

The class, guided by President Robert Parker and Sponsor Miss Mary Marshall, donated $50 to the Chest Fund Drive.

Other big times came when the Junior's float, supervised by Donna Johnson, won second prize in the Homecoming parade, and when the juniors honored the seniors with the annual Junior-Senior prom.

# Sophomores

This year a group of sophomores was placed in accelerated classes of math and English as an experiment tried for the first time at Leon.

The officers and sophomore homeroom presidents were hosts and hostesses at the annual sophomore party March 22.

Richard and Robert Neves were president and vice-president until they moved. They were replaced by Eleanor Donnell, president, and Bill Gwynn as vice-president.

Robert Neves, president; Gladys Newman, secretary; Duane Eubanks, treasurer; Richard Neves, vice-president enjoyed serving the Sophomore class this year.

# Freshmen . . .

The Freshman class got off to a good start with their football team, coached by Mr. Jesse Dyess, finishing with a 6-1 record.

In homecoming activities, they won first place in class participation with their float.

Charles Ragsdale and Linda Manni were recipients of eighth grade scholastic awards.

Going over the Leon Handbook are Freshman officers: Sharon Guerry, treasurer; Judy Revel, vice-president; Council Wooten, president; Carol Laing; secretary.

# Lions Capture Tri-NEC Football Crown

The end of the 1957 season found Leon in a tie with Ocala and Gainesville for the Western Division NEC championship. Ocala defeated Jacksonville Fletcher of the Eastern Division in the championship game, creating tri-NEC champions for the first time.

The Lions under coach Fred Snyder posted a 5-4-1 won-lost record. Lester Mason, Western Division's most valuable player, led the Leon offensive with more than a thousand yards gained. Captain-quarterback Buddy Searcy and all-NEC end Billy Cash were also offensive standouts. The forward wall was led by all-Big Bend center and guard Bruce Culpepper and Joe Terry. On the defensive side big Fred Andrews and Sterling Branche were outstanding.

The Lions are looking to '58 under the capable leadership of Coach Snyder and captain-elect Curtis Green.

Here are highlights of the year's games:

**GAINESVILLE.** Leon's new "I" formation paid off big in this 12-0 opening victory.

Andrews, Culpepper and Branche headed up the Lion's defense while Searcy and Cash scored Leon's two TDs.

**BRADENTON:** Bradenton nipped Leon 19 to 13 on a last quarter score. Leon came from behind twice to even up the score but their defensive effort failed to stop Manatee's last scoring drive.

**LIVE OAK:** Leon's crushing ground attack gave them a 20-0 victory over Live Oak. While

on their way to their second win the Lion's gave up only 40 yards to the luckless Bulldogs.

**OCALA:** Ocala's powerful Wildcats handed Leon her first NEC defeat as the Lions' offensive failed to get under way. The demoralizing loss of fullback Andrews was felt as the Lions fell 7 to 0.

**DUPONT:** A brilliant passing attack paid off as Leon rambled 35 to 19 over Dupont in the annual Homecoming game. Cash was the game's offensive and defensive standout.

**PERRY:** Mason came into his own as he led Leon to a 34 to 0 victory over Perry with three TDs. Perry was only able to penetrate to the Leon 33.

**DAYTONA BEACH:** Leon and Daytona played to a 0-0 tie as a superlative defense paid off for both teams. Leon dominated first half play while Daytona controlled the second. Mason turned in 136 yards for Leon, and Terry played one of his finest defensive games.

**PANAMA CITY:** The Tornados completely baffled Leon as Panama City dished the Lions a 34 to 14 defeat. Green's passing was Leon's only bright spot with both scores resulting from passes.

**PENSACOLA:** Three first half touchdowns gave Pensacola a 19 to 0 win over a crippled Leon. The Lions came back in the second half but not enough.

**LAKE CITY:** With a 27 to 19 victory the Lions earned a share of the NEC crown. After trailing 19 to 14 a Leon rally led by Green, Mason, and Cash paved the way to success. Mason reached the 1,000 yard mark in this final game.

# Junior Varsity Ends with 2-6-1 Record

Starting slow and ending strong was the stocy for the 1957 Junior Varsity football team. The Baby Lions posted a 2-6-1 won-lost record.

Even though the J. V.'s season record didn't seem too impressive the spirit and determination never let up. There were many standouts among the team including rugged linemen Terry Barfield, George Erving, and Philip McCreless. The outstanding backs, led by Captain Fred Deeb, were Johnny Lovelace, and Jimmy Hanna.

# Cheerleaders Boost Leon Spirit

Leon's 1957-58 cheerleaders kept Leon's spirit at a peak all year by their cheering at games and pep rallies, by sponsoring dances after the games, by putting on assembly programs and by sponsoring homecoming activities.

Other projects which the cheerleaders carried out were the annual Snow Ball Dance, the Football Banquet, and the Alumni Cheerleader Banquet. The varsity cheerleader sponsor is Mrs. Eloise Batchelor.

# J. V. Cheerleaders Assist Varsity

Besides cheering at all the Junior Varsity athletic events, the Junior Varsity cheerleaders gave a great deal of assistance to the Senior High cheerleaders. The Junior Varsity cheerleaders planned and carried out the Junior High pep rallies, helped sponsor the dances after the games, and also helped with the Snowball. The Junior Varsity sponsor was Mrs. Mayo.

# 1957-58 Leon Basketeers Win NEC Crown

Intern Frank Slusher and Coach Stoutamire.

Leon's 1957-58 basketeers downed Bishop Kenny of Jacksonville in the playoff game 47 to 45 to cop the NEC basketball crown. Leon had previously beaten Ocala 33 to 26 to win the Western Division title.

The Lions, who had a 13 game winning streak until stopped by Panama City 28 to 29, finished the season with an overall 19 and 3 record. The team also extended a home game winning streak started in 1954 to 45 games before being stopped by Perry 55 to 44.

Tommy Simmons, team captain, was the leading scorer with 374 points for an average of 17 points per game. He was followed by Jerry Bruce with 219 points, Terry Lee with 153, John McEachern with 114, and Keith Pitchford with 112.

The NEC title, which was Leon's fourth in basketball, climaxed a very successful season. Coach Claude Stoutamire will have a rebuilding job in 1958-59 with only Johnny McEachern returning.

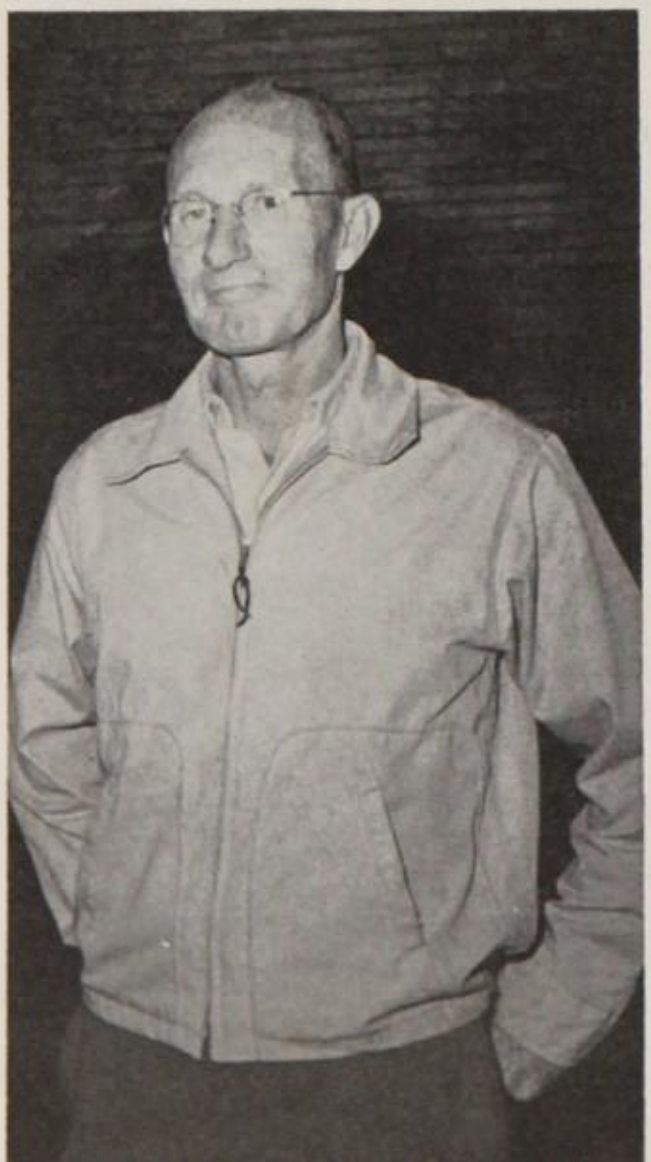
# J. V. Battles For 13-5 Record

**COACH JOE WILCOX**



It was another fine season for the Leon J. V. under Coach Joe Wilcox as they finished the season with a 13 and 5 mark. The season was ended as the Jayvees toppled previously unbeaten Perry 35 to 33. It was also sweet revenge as they had dropped a decision to Perry earlier in the season. Panama City was the only outfit, this year, able to defeat the Leon J. V. Team twice.

George Gaskins was the team's leading scorer in collecting 131 points for the season. Billy Owens bagged 110 points for the runner-up spot, while Jack Stansel chalked up 90 points for third position. Leaders in individual game points were Billy Owens, 20 points against Florida High, George Gaskins, 17 points against Bainbridge with Billy Tuten and Jack Stansel both collecting 15 against Florida High and Monticello, respectively.

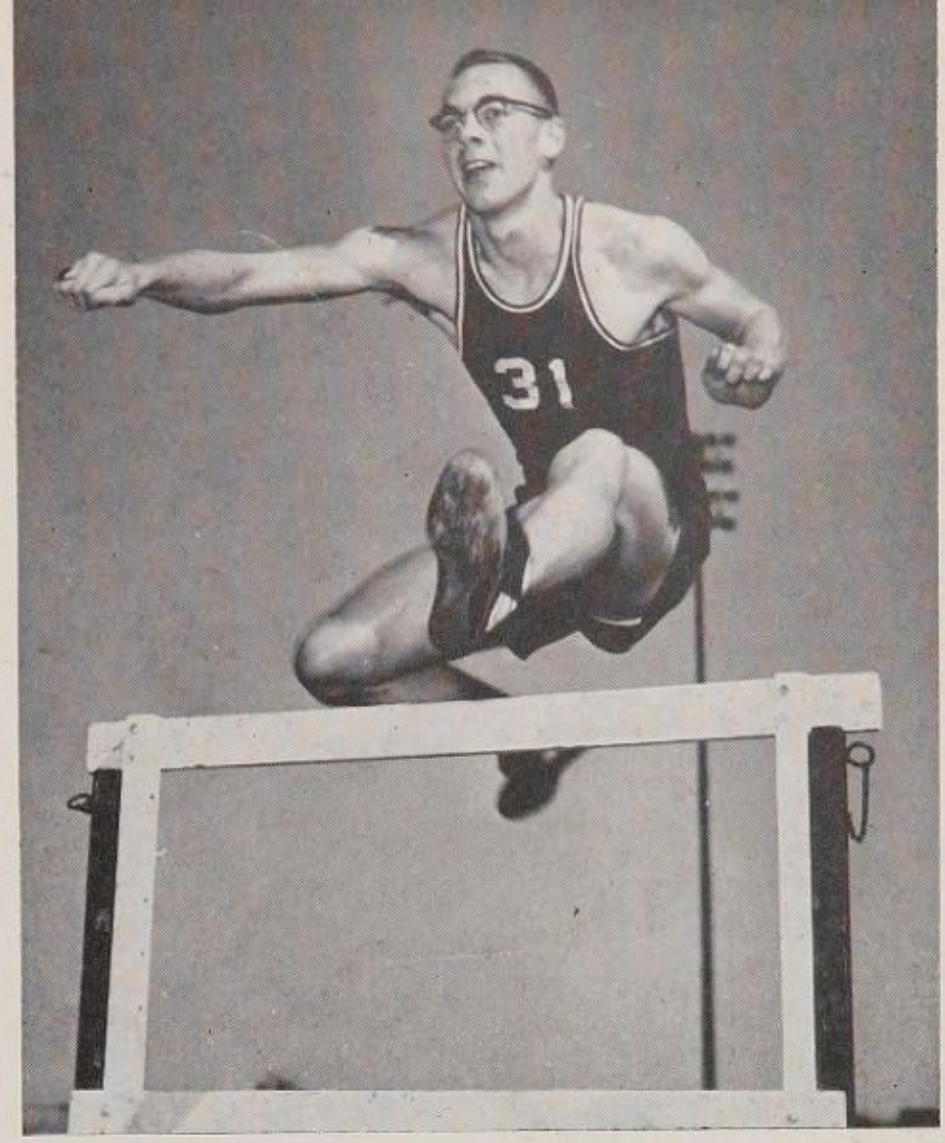
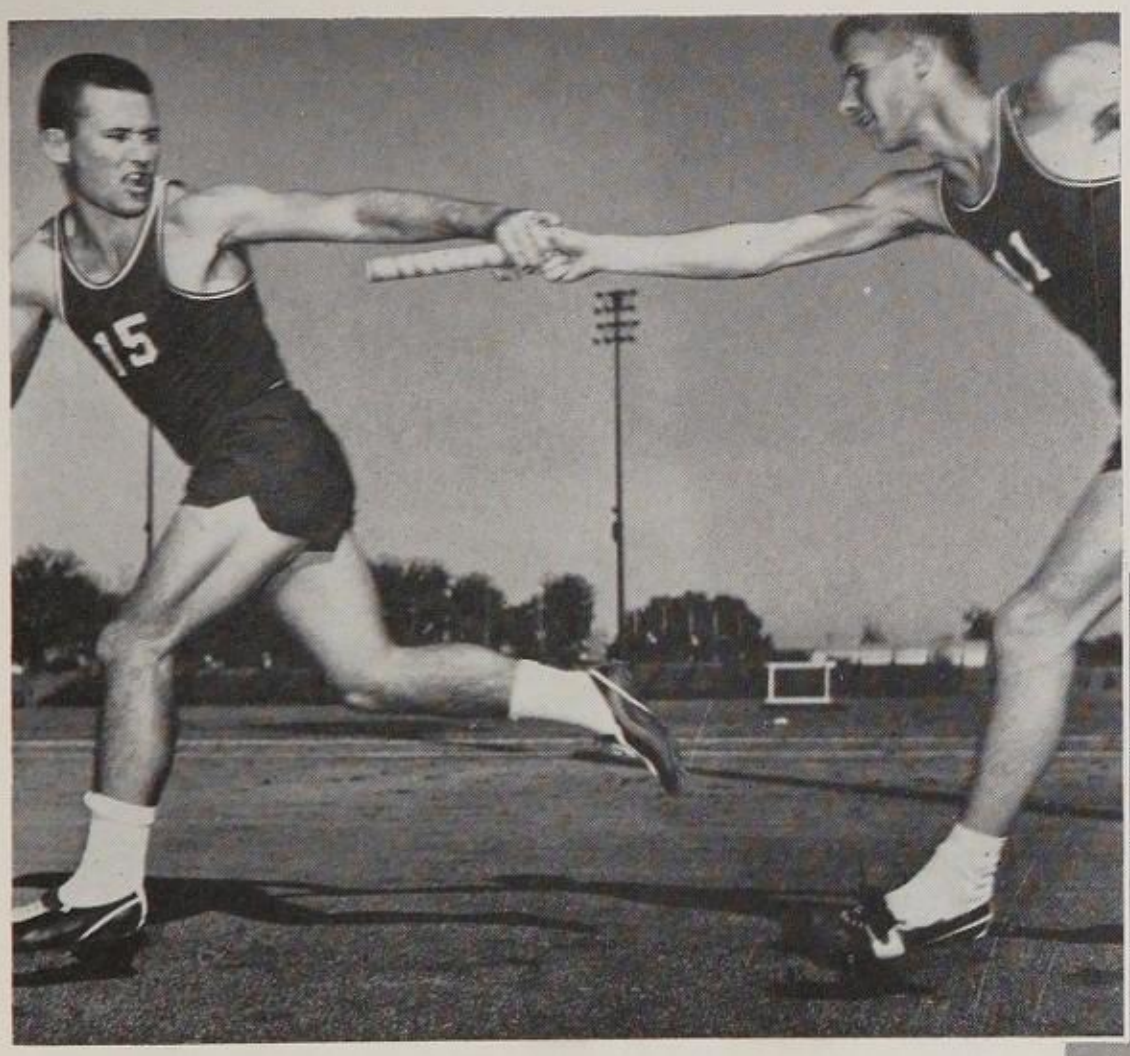
# Injuries Hurt Track Squad

Track at Leon, under the direction of Coach John MacElwee, started to rebuild this year as only six lettermen returned to the cinders. The cindermen were captained by Buzzie Korst and Terry Long. Injuries also played a large part in determining Leon's record this year as Korst pulled a muscle early in the season and Long was put out of action by a knee injury.

The thinclads placed third in the Fletcher Relays, third in the Leon Tri-State meet, and fifth in the Northeastern Conference. Long was named the outstanding athlete in the first annual Tri-State meet. Jim Frohock was true to form in the Northeast Conference meet in capturing the 100 yard dash, Sophomore David Swartz showed well in the district meet winning the only individual medal for Leon. Another first year man, Dean Cassels, placed third among conference pole vaulters at the NEC Championship.



Captain Long clears the low hurdle.



Captain Korst passes the baton to Mason in the relay.

# Baseball Team Plays 21 - game Year

The Leon Lions baseball team ended their first year under the coaching of Mike Gutierrez with a successful twenty-one game season, with a 9-7 record as of May 6. Although the record was good, it was marred by the loss of several close games including two Northeast Conference games. Captain Henry Vinson handled the catching chores while senior Keith Pitchford and junior Frank Echols rounded out the battery as the leading pitchers. The Lions' star third baseman, three-year-letterman Tommy Simmons, led the hitting attack with an average over .400. Nine members of the team, including several starters, will return for action next year.

The 21 game schedule was quite a contrast to the 9 game schedule played last year in which Leon went 6 and 3. Keith Pitchford and Max Cole led the Lions in the hitting and batting departments. Pitchford wound up with a 4 and 1 record, while Cole batted an even .400.

# Boys', Girls' Staters Study Government

Each summer marks the annual Boys' and Girls' State in Tallahassee. Outstanding students from all over the state meet to participate in their own state government.

The purpose of Boys' and Girls' State is to give each individual an appreciation and better understanding of government and to train them in their duties of citizenship.

Leon's representatives were elected to serve in many offices. Robert Ashmore filled the Secretary of State post. Faye Dunaway was selected as one of the twelve most outstanding Girls' Staters and served as President Pro Tempore of the Senate. Edgar Moore held the position of State Party Chairman.

## *Seniors Enact Mystery-Drama*

A fire escape "played the lead" in the Senior Class's production of "The Remarkable Incident at Carson Corners," a mystery-drama, on May 14.

The plot revolved around a trial instituted by students of Carson Corners in which the school janitor is accused in the death of a student who fell from the fire escape. Parents and students alike found that they were all indirectly involved in the death.

Mrs. Mina Cubbon directed the 27-member cast, with the assistance of Mrs. Eunice Johnston and Mr. Malcolm Longsdon.

## Junior Class Presents Comedy

There were onions in the stew in more ways than one when Juniors presented their class play, February 28.

On the day of the junior play "Onions in the Stew," a three-act comedy by the late Betty MacDonald, beef stew, with onions, was served in the cafeteria.

A near-capacity crowd came to watch Sue Ann Bupp and Larry Fox star as the parents and Mary Lillian Jones, and Jean Hopkins as the teen-age daughters.

Some look scared, others look excited, as the new freshmen gather in the lobby of Leon for the first time, in September.

# . . . . . They're Part of The Year

The loud twang of a guitar and the soft patter of rain, the spicy aroma of spaghetti and the woody smell of a freshly-sharpened pencil, the autumn moon peeping over one of Tallahassee's red clay hills and the majestic beauty of the flag fluttering in the wind, the soft velvety feel of the stage curtains and the tickly feel of sand to bare feet, the bitter-sweet taste of a blade of new spring grass and the satisfying taste of hamburgers-all-the-way – all these are a part of a school year, too.

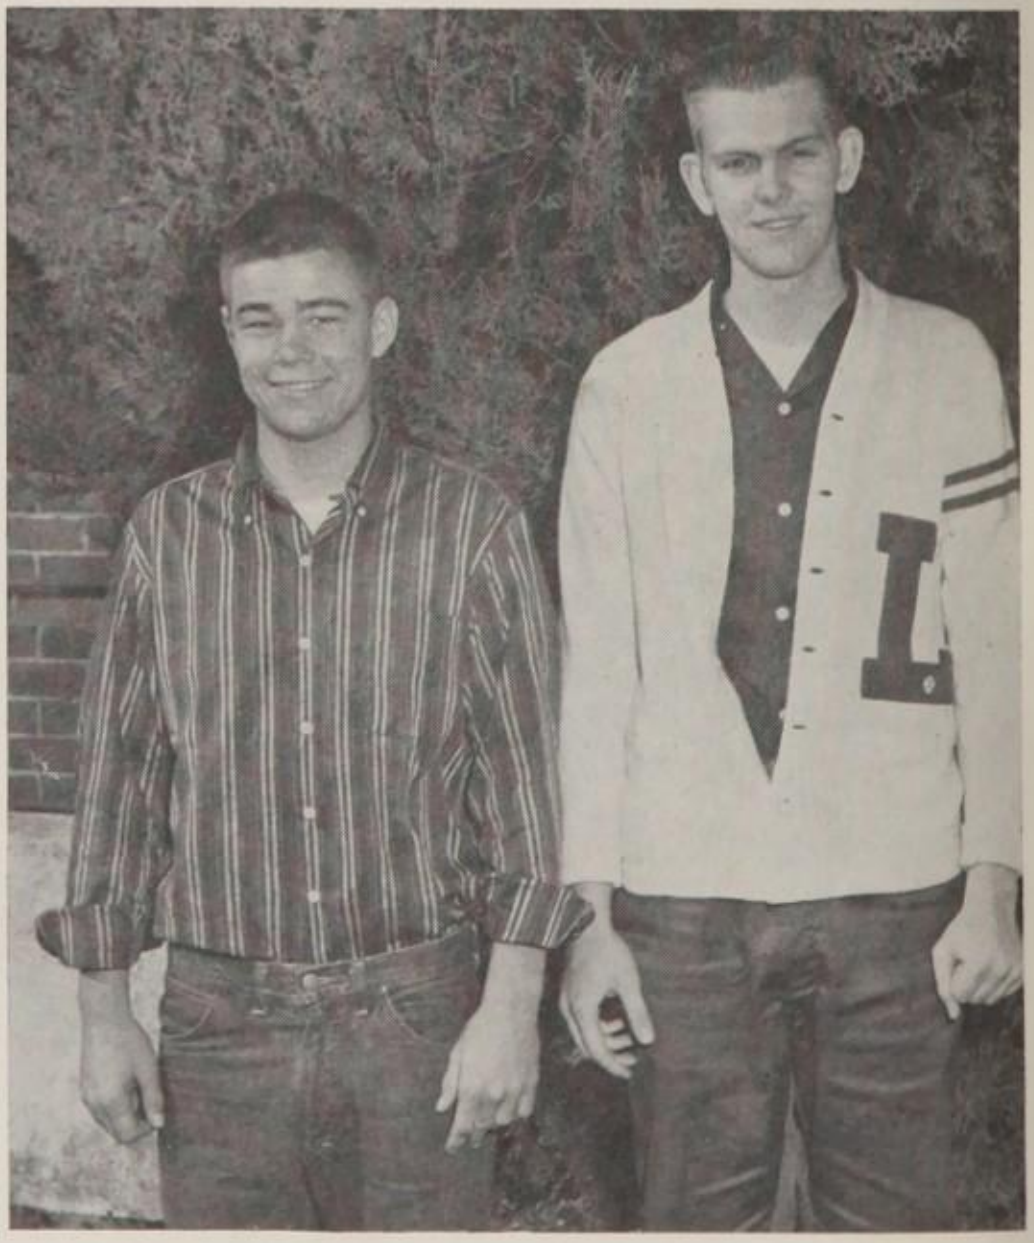
All the crazy things teenagers do – they're all a part of that year . . . And the inconvenience of a traffic jam in the halls, the thrill of a May Party, the excitement of rock-and-roll, and the nostalgia that comes at the end of another year – these all go hand in hand with the purpose of education – the satisfaction that comes when you finally discover that all the studying wasn't in vain.

Fred Andrews and Herbie Carter, as a rock-and-roll act, out-Presley'd Elvis to win first prize at Pierian Stunt Night.

# Clubwork, the Coast, Football, and Fads

Florida State or the University of Florida? Or someplace else? Mary Ann Mason, Jo Gaylon Jordan, Mary Lou Hutto and Susan Yancey are just a few of the many Leon students who take the opportunity to find out about institutions of higher learning at the annual "College Day."

Louise O'Kelley and Merry Kilner find that selling magazines is both work and fun. Here they try their technique on Mrs. Paul Reynolds in the annual Junior Class magazine subscription drive.



Freshman Bud Alford was runner-up and senior Jerry Bruce was the winner of the "Ugliest Boy" contest, sponsored by the Tri-Hi-Y's. He was crowned with a crown of mixed vegetables at the Anchor Club Sadie Hawkins dance.

# Go Hand in Hand with Books and Pencils

Every other Friday morning High Life's are issued. Dede Keyes and Wayne Pike help distribute "Your school in print."

The first "Color Day" was held at Leon this year. Mary Helen Johnson and Joel Hill were among the many who wore red and white to support Leon's fighting Lions in their game with Pensacola.

"Sneakers" became a fad during the year, particularly among senior girls. The canvas shoes came in all colors, including pastels, and some were even two-toned.

# Rock and Roll, Foreign Cars, and Traffic Jams

What's in the future is a question Leon students try to get answered at annual Career Day. T. Sanderson, M. H. Johnson, C. Smith, C. Romig, F. Dunaway, T. Cogswell find out something of the field of medicine from Dr. Thomas Bixler.

"Slave Days" were fun for some, but tiring for others. Carole Laing has "slave" Ben Waddill, sharpening her pencil. The days were all a stunt for the Chest Fund Drive.

Outside activities of a good many include, National Guard or Service Reserve. Tommy Dunaway and Sterling Branche get their training in the Marine Corps Reserve.

# . . . These, too, Will Go Down in the History Book

Thanksgiving is traditionally highlighted by the choral department concert. Third period mixed chorus practices for the assembly program for which they will wear clothes of autumn hues.

What a mess! But this is no exaggeration. By the end of all four lunches, the tables do look like this. You'll have to forgive them though, because this seems to be the only time to catch up on the latest gossip.

Willson Ervin, Fran Bannerman and Virginia Culpepper look as though they are enjoying themselves at one of the spaghetti suppers which were popular on all grade levels.

# *Rain, Snow and Sunshine, Sorrows, Delights*

"Howdy" says Mary Helen Johnson.
Howdy Week was Mamie Tri-Hi-Y's way of promoting friendliness. Students wore name tags which said: "Howdy! My name is_____."

Things got pretty wet around Tallahassee with a higher-than-normal rainfall, which didn't help things either, with the new addition being built over the cafeteria. Others might have taken a cue from Tommy Cogswell who found it better to come prepared for rain inside the building as well as outside. The large garbage can was just one of several placed in strategic points to catch the "drips."

Whoops! Wrong way, buddy. You'll never get through this way. This is one way NOT to get through the "jams" that happen every day in the halls. B. Norwood

# *May Party Honors Florida Festivals*

Considered one of the highest honors which can be given a Leon High girl is the selection as May Queen to reign over the Tallahassee May Party. This major event in Tallahassee is recognized as probably the oldest continuous celebration in Florida and perhaps in the entire country.

Pretty, blonde senior, Linda Gormley, her King, Edgar Moore, and a court of 18 senior girls and their chosen escorts, presided over the 123rd Party, May 1, under the 1000-year-old May Oak in Lewis Park. The May Party this year honored, in song and dance, other famous Florida festivals, including Pensacola's Fiesta of Five Flags, Tampa's Gasparilla, St. Petersburg's Sunshine Festival; Tarpon Springs' Greek Festival of Lights; Ft. Myers' Edison Pageant of Light; and all Florida bowl games in a Football Festival.

Leon High took over the major part of staging the May Party in 1934, working in cooperation with the City of Tallahassee and the Garden Club.

Linda Gormley and Faye Dunaway express their happiness as they receive the news of being selected Queen and runner-up of May Party.

The project called for homeroom presidents or their representatives to assist in maintaining order in the halls and cafeteria during lunchtime for the schedule of four lunch periods instead of three, new this year.

# *Inter-Club Council To Sponsor Student*

A foreign student will come to Leon next year!

Interclub Council raised the money for participation in the Foreign Student Exchange program through the Student Council Chest Fund Drive. The group hopes to send a Leon student to Europe in the summer of 1959.

Interclub Council is composed of presidents of all organizations at Leon High. Purpose is to encourage a closer relationship between the clubs and organizations of the school. George Lewis served as president of the Council through his position as vice-president of the Student Council and Mrs. Edna Tait was sponsor.

Through Interclub Council, presidents "volunteered" services of their club members to man booths in downtown locations to sell potato chips in the "Chips for Polio" drive, and to keep assigned areas of the campus clean during the year. Some clubs went even further in the clean-up campaign by purchasing trash receptacles to place about campus.

Serving as officers of Interclub Council were Mary Helen Johnson as vice-president, George Lewis as president, and Gayle Norman as secretary.

"Bottle 'Cola" and "Dam Up DuPont" were some slogans of the pep ribbons sold by the Junior Civitan Club before each football game this year.

Purpose of Junior Civitan, a boys' service club, is to promote good citizenship among students and club members.

Led by President John Malone and Sponsor Mr. Fred Snyder, the boys in Junior Civitan participated in many projects. They sold football programs, made "Leon High Lions" banners for the athletic buses, helped with the debarred slips each morning, and painted the faculty parking places. Their main money-making project was the selling of Civitan fruitcakes.

# Pierian Spotlights Stunt Night

Hidden talents entered by school clubs were discovered at annual Pierian Stunt Night, "Stars and Stunts for Scholarship," February 28, which earned money for a scholarship.

The Pierian Chapter of National Honor Society is a service organization which bases its membership on scholarship, leadership, service, and character. Membership is limited to the highest fifteen per cent scholastically of the junior and senior classes.

Andy Grant served as president of Pierian this year and Mrs. Juanita Matthews was sponsor.

Projects of Pierian Honor Society included Stunt Night and two assemblies. In their assemblies new members were tapped and honor roll students were recognized. Pierian also published a Student Directory this year. The directory contained the names, addresses, and telephone numbers of all students at Leon, and were sold for 50c.

# *Jr. Honor Society Leads Scholarship*

Recognition for scholarship was given to freshmen and sophomores by invitation to join the Junior Honor Society.

The purpose of this service club is "to serve others, to encourage scholarship, to promote closer student association, and to further higher standards." The members are chosen from the scholastically high students of the ninth and tenth grades. All members must have a "B" average.

This year Joan Glenn was president and Miss Josie Lewis and Mrs. Wilda Clowers served as sponsors.

The Ponce de Leon Chapter of Junior Honor Society sponsored an assembly program each semester for the recognition of honor roll students.

## El Cid Backs Guatemala Trip

A trip to Guatemala this summer will be sponsored by El Cid chapter of Spanish National Honor Society. The club sponsored a trip to Mexico last summer. Purpose of the trips is to practice speaking Spanish and to study Latin American civilization.

President Joel McNeil and Sponsor Mrs. Marjorie Dillingham led the club activities, which included presenting an original Spanish play for assembly, helping with the Three Kings Fiesta, and participating in schoolwide projects.

## *"Bonjour" Says French Club*

"Parlez-vous francais?" The students in the French Honor Society meet to speak French and to have programs concerning France.

The French Honor Society, sponsored by Mrs. Lois Boggs, works with Chez Nous to promote interest in the French language.

This is an honorary club composed of high "A" and "B" French students. Daryl Weatherly served as president this year.

## Chez Nous Has Mardi Gras

French Morocco served as the theme for the annual Mardi Gras, February 8, sponsored by Chez Nous, a service club of advanced French students. Club membership is limited to forty.

Guided by President Ken Van Assenderp and Sponsor Mrs. Lois Boggs, Chez Nous conducted their annual clothing drive, participated in schoolwide drives, and sent delegates to the State French Club Convention in Winter Park, April 19-20.

Joel Hill, member of the Leon Chez Nous chapter, served as president of the State French Club this year.

## *French I Club Organized*

French I students become better acquainted with the French people and their way of life through the French I Club, which is a new club at Leon this year.

Sue Clements was president and Miss Alice Lentz served as sponsor.

The French I Club participated in the "Chips for Polio" Drive and the Clean-Up Drives. The club also helped Chez Nous with their projects which included the Clothing Drive and the annual Mardi Gras.

## Los Amigos Sponsor Fiesta

The Three Kings Fiesta, January 10, an annual dance, was sponsored by Los Amigos assisted by Los Amiguitos and El Cid.

Los Amigos is composed of advanced Spanish students. Purpose of the group is to promote understanding of the Spanish culture and to participate in activities related to Spanish courses.

President Beth Brown and Sponsor Miss Iris Hernandez guided the club activities which included a trip to Tampa to the Latin America Fiesta, preparing a Spanish meal, learning Spanish dances and writing to foreign students.

## *Los Amiguitos Learn Spanish*

First year Spanish students may gain a better understanding of the Spanish culture through Los Amiguitos, a service and interest club.

Steve Turner was president and Mrs. Marjorie Dillingham, assisted by Miss Alice Lentz, served as sponsor this year.

Los Amiguitos will help El Cid sponsor a trip to Guatemala this summer and assisted with a trip to Mexico last summer. The club also participated in school-wide drives and assisted with the Three Kings Fiesta.

## Latin Banquet Honors Caesar

The Roman Banquet, complete with costumes and slaves, is a traditional annual project of the Latin II Club. The club activities also included attending the Latin Forum in Bradenton, April 11-12.

Purpose of the Latin II Club is to develop an appreciation of ancient civilizations and an interest in the language, art, customs, and literature of the Romans.

Reba Carolyn Messer was president and Mrs. Christine Scarborough served as sponsor of the club this year.

## *Latin III Makes Debut*

Purpose of the Latin III Club, a subject-interest club for third year Latin students, is to stimulate interest in the classical cultures and to enrich the Latin student's knowledge in this area.

President Steve Turner and Sponsor Mrs. Christine Scarborough supervised the club activities this year. These included supper meetings with guest speakers, sponsorship of the Leon chapter of the National Latin Honor Society, recognition of outstanding Latin students, and attendance at the Florida Latin Forum in Bradenton.

# Thespian Troupe Presents Mysteries

Annual Thespian Night, sponsored by the Leon Thespian Troupe, this year brought in more than $200 which was used to finance the speech activities of the year. Three one-act plays, "Pajama Party," "Murder at Mrs. Loring's," and "Balcony Scene," were presented Thespian Night, November 14.

Thespian is an honorary drama club. Its purpose is to create an interest in dramatic arts among high school students and to establish and advance high standards in all phases of dramatic arts.

The Thespian Troupe, under President Faith Moore, and Sponsor Mrs. Mina Cubbon, presented a one-act play, "Murder at Mrs. Loring's," at the Florida High School Drama Festival in Gainesville, November 15-16. The troupe also sent two readers to the festival and one of them, Faith Moore, won a Superior Rating for her reading taken from "Our Hearts Were Young and Gay."

# *Forensic Honors Speakers, Debaters*

The Forensic Club is for students who show an active interest in debate and speech-making. The club encourages its members to enter speech contests, to accept speaking engagements before local civic groups, and to take part in the speech activities in the school program. This year the Forensic Club was guided by President Edward Eikman and Co-Sponsors Mrs. Mina Cubbon and Mr. Malcolm Longsdon.

Forensic served as co-host with Florida State University for the State Student Congress, November 1-2, and co-sponsored Thespian Night with the Thespian Troupe.

Members of Forensic attended the Academy of Holy Names Speech Tournament in Tampa, December 14-15, Plant High School Speech Tournament in Tampa, January 17-18, National Forensic League State Speech Tournament in Orlando, March 26-28, and a Discussion Conference in Gainesville, November 15-16.

The club won many first places in the Florida West Coast Speech Tournament in Sarasota, February 14-15. Their debate won third place in the state at the State Debate Tournament at the University of Florida in Gainesville, March 7-8. Club members also attended the District Student Congress in Jacksonville, October 18-19.

# Lion's Tale Theme: A Year of History

Shellie Slade, Class Editor; Dede Keyes, assistant Class Editor; Sharon Buchanan, Feature Editor.

Hundreds of pictures were taken, and several were lost, copy was written and rewritten, and layouts were drawn, not once, but in triplicate, as the *Lion's Tale* staff prepared the 1957-1958 annual for printing.

In September the staff, aided by Editor-in-Chief Virginia Walker and Advisor Mrs. Margaret Cash, selected "The History of a Year at Leon" as the theme. Staff members then trudged from store to store hopefully seeking ads to help finance the yearbook.

The book developed page by page. Pictures were made of the faculty and classes. Beauty queens, Homecoming Court, May Court, and Superlatives were photographed. The sports section recorded Leon's athletic activities of the year. Organizations were covered with copy and pictures. Then came the unexpected snow and the staff sought for "just two pages" from somewhere—and they were found. Covers were designed, and after lengthy debate, one was selected as "perfect" by the staff.

As the last picture was taken, the final cutline typed, and the last piece of copy checked, the staff breathed a sigh of relief and planned a party.

Virginia Walker says, "We the annual staff of 1958, present to you with pride our history of the year, hoping you will enjoy and treasure the memories within these pages."

# High Life is "Your School in Print"

The Leon High Life won top honors at the Florida Scholastic Press Association Convention at Florida State University, March 28-29. Leon's paper earned first place in the general division of the tournament-by-mail and another first place in the on-the-spot contest at the convention. The High Life tied for second place in the Special Division of the tournament-by-mail. Prior to this year Leon has been named the Best All-Around paper in the state three times since the organization of the FSPA in 1946.

Supervised by Co-Editors Mygnon Champion and Ellen Kobre and Advisor Mrs. Margaret Cash, the staff of the High Life covered all the important events of the school year, from cheerleader elections to graduation festivities, plus a series of articles on juvenile delinquency and the Juvenile Court.

Mygnon Champion (Co-Editor-in-chief) Mrs. Margaret Cash (Sponsor), Ellen Kobre (Co-Editor-in-Chief).

Wilma Mae Brinkley (Advertising Manager), Harriet Cole (Advertising Solicitor), Billie Lee Sauls (Circulation Manager), Mary Kathryn Brandt (Business Manager), Ann Maxwell (Exchange Editor).

## Quill & Scroll Gives Award

Presenting the Eunice Johnston Best Writer Award at Class Night is one of the projects of Quill and Scroll. The winner's name will be engraved on a plaque.

Quill and Scroll is an international honorary club for juniors and seniors who have done outstanding work on school publications.

President Harriet Cole and Sponsor Mrs. Margaret Cash supervised the projects and activities of Quill and Scroll this year. The club participated in the Polio Drive and Clean-Up Drives.

## *Auxiliary Aids Lion's Tale*

Selling annuals, checking cutlines, typing copy, and running errands are just a few of the "odd jobs" done by members of the Yearbook's Auxiliary staff.

These students in grades 10, 11, and 12 are selected through application to Mrs. Margaret Cash, yearbook advisor, who is assisted in her choice by Lion's Tale staff members. The auxiliary staff members must have served an apprenticeship of one year in this out-of-class activity before being considered for selection as 1959 staff members.

# *Ike Hi-Y Boys Give Devotions*

The devotionals every Tuesday and Thursday mornings over the intercom and in assemblies have been given by the boys of the Ike Hi-Y.

The purpose of Ike Hi-Y is "to create, maintain, and extend throughout the home, school, and community, high standards of Christian character."

President Johnny Sewell and Sponsor Mr. O. D. Roberts guided the club in many projects this year. The boys in Hi-Y helped finance their projects by selling cotton candy at school games and other activities. The club gave $5 every month to "CARE," provided a trash can for the school, participated in Clean-Up-Drives, and in the Polio Drive. Hi-Y was represented by delegates to the first Florida YMCA Youth Legislature which was held in the state capitol December 6-8.

Leon boasted the president of the national organization of Future Homemakers of America this year. Gayle Norman, president of the Leon chapter, served as president.

Purpose of Future Homemakers of America is to "develop leaders of tomorrow, further interest in Home Economics, foster development in home, school, and community life, and provide individual and group recreation."

President Gayle and Sponsor Mrs. Millicent Cook guided the club in many activities this year. The girls in FHA served refreshments at faculty meetings, sang Christmas carols at the W. T. Edwards Hospital and at a convalescent home, held a "Daddy-Date" night and a family picnic, sponsored their annual Mother-Daughter Banquet, and participated in schoolwide drives. The Leon chapter sent delegates to the FHA district and state meetings and to the State Fair.

Honorary membership in FHA is awarded by the club to those who have helped the club in some way. This year the club awarded honorary membership, or degrees, to Mr. and Mrs. G. C. Norman, Gayle's parents, to Gayle, and to Mrs. Mina Cubbon, speech teacher at Leon who helped the girls in FHA when they had speeches to prepare.

Gayle Norman, Leon Chapter president, served as FHA National President for the '57-'58 year.

## *Future Nurses Study Career*

Nursing as a career is the aim of the girls in the Future Nurses Club. Through the club programs and projects the girls learn as much as they can about professional nursing; through study the members feel more capable of deciding if nursing is the career for them.

Mary Alice Collins was president and Mrs. Laura Fox served as sponsor this year.

Club members worked at the hospital, assisted the County Health Unit and the school clinic, and participated in schoolwide projects.

## Mu Alpha Theta Helps Math

"Math cram sessions" in preparation for college entrance board examinations were among the activities of Mu Alpha Theta, national mathamatics honorary.

Purpose of Mu Alpha Theta is to develop sound scholarship in mathematics, to encourage interest in mathematics, and to promote enjoyment of mathematics.

The club, led by President Bodsford Smith and Sponsor Mrs. Myrtle Rehwinkel, participated in a mathematics contest and had programs for interested students.

## *Office Assistants Aid Staff*

Aiding the school office staff in clerical work is the purpose of the 22 girls who serve as Office Assistants.

The assistants' main duty is collecting and tallying absentee slips each period. Their other duties include carrying notes, keeping office forms ready for use, and marking attendance cards.

Mrs. Nell Walker, office registrar, selected the girls by application during spring registration and directed their activities this year.

## Library Club Repairs Books

Aiding students in their use of the library was the purpose of the Library Club. This service club also did clerical work in the library, repaired worn books, and encouraged individual student projects as well as club projects.

President Jerry Wyrick and Sponsors Mrs. Elva Grow and Mrs. Annelle Sterk guided the Library Club this year. The projects of the club included selling cookies and attending the state convention of Florida High School Library Council, May 2-4.

## *Biology Club Explores Nature*

President Judy Kemp and Sponsors Mrs. Marjorie Lowrie and Mr. Fred Griffin guided the activities of the Biology Club which included a field trip to Marineland, lectures, and work sessions for experiments.

Learning how to use various types of scientific equipment was one of the projects of the Biology Club.

Biology is merely an academic subject for some, but it is a field of interest for many. The Leon High School Biology Club is for those who wish to enrich their knowledge in this field.

## Science Club Sees Future

"Sputnik" and "Explorer" have turned the eyes of the world to science, and at Leon High School, Ida Myrick Science Club has promoted original scientific accomplishments of students.

Gearge Beal was president and Mrs. Ida Myrick served as sponsor this year.

The activities of the Science Club included sponsoring public scientific lectures, being host to the Regional Science Fair, aiding students with scientific hobbies and projects, encouraging competition in scientific contests, and participating in school projects.

## Graphic Club Takes Photos

Taking pictures of school functions represents both a service and a money-making project of the Graphic Club.

The Graphic Club, composed of students interested in photography, was guided this year by President Larry Fox and Sponsor Mr. Joe Kairis.

The aims of the club are to equip the dark room so that club members will have a place to work, to stimulate interest in photography, and to display pictures taken by the club and those used in nationwide photo-contests.

## *Business Club Gives Awards*

Outstanding business students are recognized by awards given annually by the Business Club.

The Business Club is composed of seniors, juniors, and sophomores taking business courses and wishing to enrich their knowledge of the field of business.

President Ken Kemp and Sponsor Mrs. Luella Kellogg guided the activities of the Business Club this year. Projects included the selection of a "Miss Secretary of the Year of Leon High" in May.

# Lively Tec Looks to Future

Members of the Lively Tec Club strive to promote appreciation of technical training, to develop leadership among club members, and to carry out service projects. Club members are participants in the Leon-Lively program through which they attend Leon in the morning and Lively Tech in the afternoon for technical training. The club, led by President Alan Barney and Sponsor Mr. Robert Arrington, operated a concession stand for the night school at Lively, participated in state debate contests, and sponsored a Father-Son Banquet.

## JAC Promotes Citizenship

Purpose of the Junior American Citizens, to promote appreciation of the American heritage, was carried out through club projects.

The JAC, led by President Clinton Coulter and Sponsor Mrs. Lula Dee Appleyard, sold poppies on American Legion Poppy Day and gave programs for their sponsoring club, the Daughters of the American Revolution. The club entered an act in Pierian Stunt Night and participated in the Polio Drive.

## *Philharmonic Members Excel*

Philharmonic, guided by President Frances Martin and Sponsor Mr. Harold Chapman, is an honorary club for those who have excelled in any of the Leon High musical groups. Members must have earned 200 points through participation in musical performances.

Purpose of Philharmonic is to promote participation in school musical activities and to a well-rounded program of music in the school.

# Choruses Offer

Although the choruses of Leon High School, directed by Mr. Harold Chapman, perform on numerous occasions throughout the school year, performance is not the chief purpose of the choral department. The principle objective is to afford as many students as possible the opportunity of singing the finest choral literature. Because of their experience with good music, chorus members become more discriminating in their musical tastes and more intelligent consumers of music in the future, believes Mr. Chapman.

There are four choruses at Leon High School, the freshmen mixed chorus, with Frances All as president; junior girls' chorus with Margaret Lehmann as president; junior-senior mixed choral department. The principle objective is to sophomore girls' chorus, with Patsy Kelly as president.

A total of 456 students participated in Leon's

choral department with 108 members in the freshmen mixed chorus, 85 members in the junior girls' chorus, 124 members in the junior-senior mixed chorus, and 67 members in the sophomore girls' chorus.

A number of musical programs have become traditional at Leon High: Thanksgiving assemblies; White Christmas concert and assembly; Easter assemblies, spring concert, May Day festivities; and special selections for the Baccalaureate and Commencement. The freshman chorus also performed for two assemblies. In addition to these regularly scheduled assemblies and concerts, many soloists and ensembles performed for school and civic group programs.

Members of Leon choruses participated in the State Music Clinic in Tampa, January 10-11, and the junior-senior mixed chorus attended the competition festivals sponsored by the Florida Vocal Association.

Chorus members traditionally sing Christmas carols through the halls of Leon on the last day before Christmas holidays.

# Need Pep? "The Redcoats Are Coming"

"The Redcoats are coming," means something a little different at Leon than the famous saying from history. It means "The Marching Red coats", Leon's superior-rated band, are pepping up school spirit in parades, assemblies and at football games with their rendition of "Dixie."

With Band Director Mr. Oliver Hobbs and President Shepard Davis, the Redcoats kept up the tradition of superior ratings in District and State Festivals for the eighth year.

Other activities included the annual spring concert and participating in community events.

# This Is Leon? . . . . .

In the community the yards like the Ervin's on Ingleside looked like a winter wonderland picture card.

Beautiful, cottony, white, and dazzling sheets were spread over the community the morning of February 13. Schools rang the tardy bell a little later so students could enjoy the uncommon sight before the sun melted it. Excitement was in the air as adults and children romped and played in the soft down called SNOW. The snow, something many Leonites saw for the first time in their lives, fell in the late hours of February 12, the three inches setting an all-time record for Tallahassee.

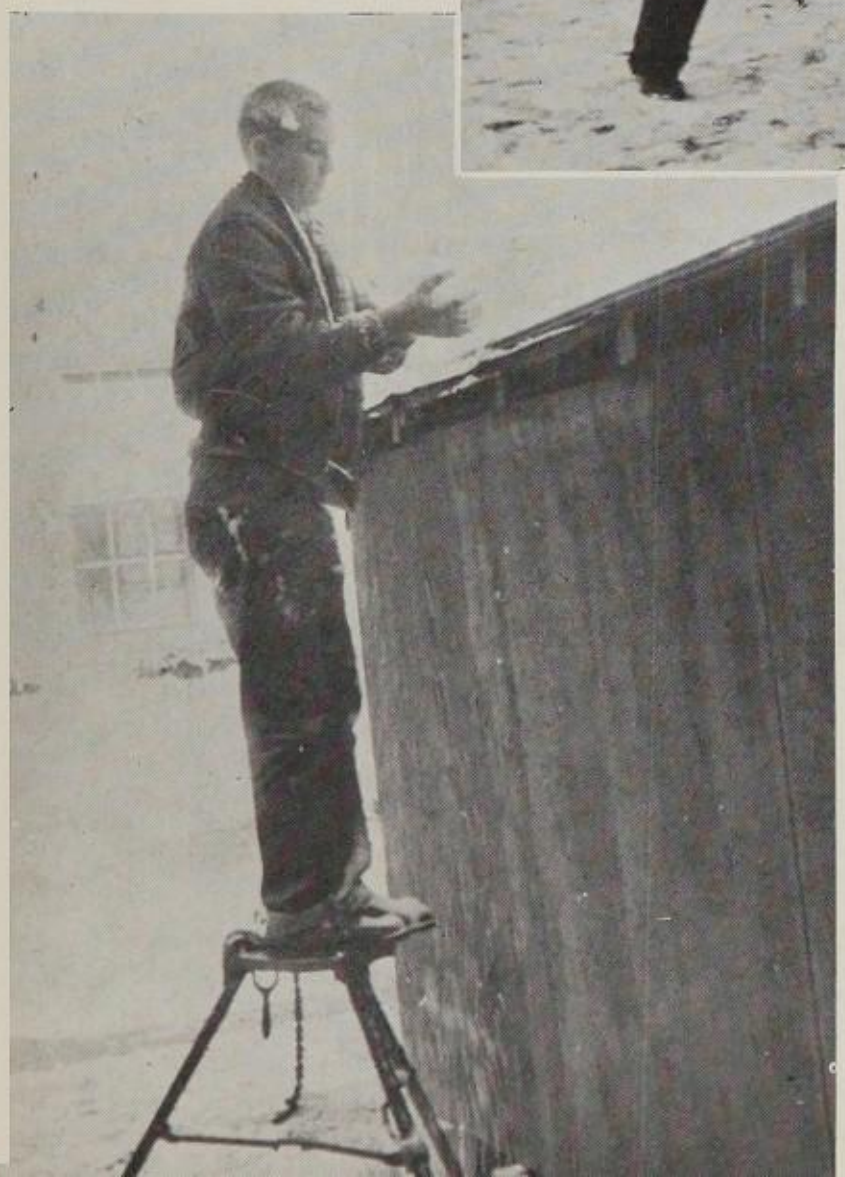
Tommy Atkinson and Bud Williams pelted Coach Snyder with snow balls.

The girls' physical education classes madly scampered in the white cover.

In all the excitement, Tutter Fraleigh started to throw a snow ball in the school.

Mr. Roberts, Mrs. Batchelor (in shorts, no less!) and Mr. Stevens relaxed from duties for a moment to enjoy those big white snow balls.

Tommy Atkinson gathered ast remaining snow from the heltered work shed.



The High Life Staff interviewed their first Florida Snow-man.

# CODE OF ETHICS

## of the NATIONAL ASSOCIATION OF HOME BUILDERS

Members of the National Association of Home Builders believe and affirm that:

Home ownership can and should be within reach of every American family.

American homes should be well-designed, well-constructed and well-located in attractive communities, with educational, recreational, religious and shopping facilities accessible to all.

American homes should be built under the free American enterprise system.

To achieve these goals, we pledge allegiance to the following principles and policies:

Our paramount responsibility is to our customers, our community and our country.

Honesty is our guiding business policy.

High standards of health, safety and sanitation shall be built into every home.

The right to a fair return for goods and services shall be upheld and protected in our relations with labor and all other segments of the industry.

As members of a **progressive industry,** we encourage research to develop new materials, new building techniques, new building equipment and improved methods of home financing, to the end that every home purchaser may get the greatest value possible for every dollar.

All sound legislative proposals affecting our industry and the people we serve shall have our informed and vigorous support.

We hold inviolate the free enterprise system and the American Way of Life. We pledge our support to our associates, our local, state and national associations and all related industries concerned with the preservation of legitimate rights and freedoms.

We assume these responsibilities freely and solemnly, mindful that they are part of our obligation as members of the National Association of Home Builders.

(your steady)

Bill,
I am looking forward to next year. Best of luck to a great little boy.
Love,
Margaret
(Lehmen)

Bill - I can't wait to be in Student Council next year! I know I'm going to enjoy it - if I need any help - I'll pick on you!
I hope you have as much fun in your Soph. class as I have.
Lots of luck to a great boy!
Love, Charlotte

Bill,
I really enjoyed being
on Student Council with you
this year. Make it really good
next year too. Keep plugging away at
football and baseball. I want you to be
on top when you graduate in three more
long years. Best always.
K.O.

Bill,
Since you're
almost as big as
me, I'd better not
say anything to offend
you even though there's
nothing to say.
Best of luck to the
most complex mind
in town. May the
rest of your English
teachers be as so
as the last one.
Richard Brunk

Bill,
Have a good time at Leon (Hope you will).
Three years. (I know you will).
Lots of luck in football next year.
Richard (Malloy)

Bill-
I've enjoyed our
short friendships this year.
Hope we'll continue be friends
when I'm a "grad". Best of luck in
your years at Leon-Take good care
of her as I know you will-think
of the Lenons nee in a while.
We'll miss you.
Love
Dotty

Best of luck
to a good responsible
boy and a darn good
friend.

If you should ever
need some help,
I'll be head Coach
at Notre Dame.
Coach Gutierrez

Bill,
We have had
fun in science this
year, and I hope you
have even more next
year. Best of luck!
Bebe
Meadows

Bill,
I think this has
been a wonderful
year just a the
future years will
be. Make the most
of them.
Best of luck
always.
Love,
Mary Call

Bill, I really
we've had a blast this
year. See you in
fourth period
and in class all
cornrad for
Julian

Best "o" Luck always

Bill,
This yr. was one
of the best. Next year
will be even better. Be
sweet & good.
Helen

Bill,
certainly have enjoyed
being in council with you
this year. You really do
certain things up with that
laugh. Let's have fun next
year. Have fun this summer.
